

## GRADUATES' REGISTER.

**I**N this Register we purpose giving a list of all graduates of the College, arranged according to their class years, with a succinct statement of the important events in their lives to the present date. As far as possible the information has been obtained from the gentlemen themselves. Where this could not be had, other sources, chiefly official, have been resorted to, such as the College Records and Assembly minutes. Every effort has been made to secure accuracy, but the editors will be glad to receive notice of errors or omissions, and will insert such corrections in a supplementary list.
