**MINES ALL SHOW REUNIONS—  
PAYNE AND REPUBLIC WEAK-  
ER—VIRTUE QUIET BUT FIRM.**

Montreal, March 17th.

Trading in the aggregate to-day was on an average scale but was contained more or less in a few of the late specialties. There can be little significance attached to the actual trading, to-day's market-being of a negative character.

Virtue continues to absorb a large share of the attention of both investors and speculators. It closed last night showing remarkable strength, rumors were again freely circulated that before many months have elapsed the stock would be selling at the two-dollar mark. This morning sales were made at \$1.01. Towards the close there was a little easier feeling.

Payne which has been rather inclined, during the last part of the week, to say was a little weaker to-day. It shows however, a substantial gain for the week; last Saturday it was selling at 1.29½, it advanced to 186 but reacted again to-day to 130 and 12½.

War Eagle, likewise, was lower and included to ease off.

Republic was suffering from heavy realizing, 500 shares western delivery selling at \$1.09. The remaining sales were made at \$1.11½ and \$1.11. The stock was offered at \$1.1½ at the close.

Decca showed signs of revival and sold at 6c. It was heavily traded in, 15,000 shares selling at that uniform figure. The annual meeting takes place to-day.

The remaining stocks remain firm and quiet, Deer Trail being the exception, which was active at 11c.
