THE above illustrations represent three of the numerous Past-Master Presentation Jewels that we manufacture for all Societies. A connection with the Lodges is valuable to every Jeweler, and nothing will ensure it as quickly as the sale of a Presentation Jewel. Write us for particulars and prices, and order a couple of Jewels as samples. Remember that nine-tenths of the presentations will be made between now and January. We claim to be the only manufacturing Jewelers in Canada making a specialty of Society Jewelry. We have a Catalogue in the printer's hands at the present time. Kindly drop us a post-card if you wish to have one mailed to you.
