

cerned, staple lines of hardware were very quiet during the past week. In horse nails, C brand has advanced in price, or, in other words, the discount has been reduced, being from 40 per cent. to 7½ per cent., instead of from 50 per cent. to 7½ per cent., as before. Wholesale dealers report trade somewhat quiet, though it exceeds in volume that of previous years. Travellers are working on sorting up orders principally, but they are also doing a fair trade in fall orders. The old difficulty in obtaining prompt shipment of orders is still being experienced, and is likely to exist for some time to come.

Following are the quotations on the principal lines, corrected to date:
