

The Maritime Medical News.

(HALIFAX, NOVA SCOTIA.)

A MONTHLY JOURNAL OF
MEDICINE and SURGERY.

VOL. VII.—No. 12.

DECEMBER, 1895.

Subscription
\$1 per annum.

As Digestible as Mothers' Milk.

Cows' Milk modified by the Peptogenic Milk Powder is just as digestible, as mothers' milk—no more so; the baby has to do the rest.

Fairchild's Peptogenic Milk Powder affords the only known method of modifying cows' milk to the standard of human milk.
