

and Clinical Medicine, including diseases of eye, ear, throat and nose, mental diseases, obstetrics, diseases of women and children medical jurisprudence, toxicology, hygiene, pathology, including bacteriology,

(c) That at least 24 months out of the graded four years of eight months each be required for attendance in hospital practice.

(d) That proof of attendance on not less than six cases of obstetrics and two post mortem examinations be required.

III. Examinations. (a) All candidates for registration in the various Provinces in addition to having fulfilled the foregoing requirements shall be required to undergo examination before examiners to be appointed in each of the Provinces by their representative Councils.

Fifty per cent. shall be required for a pass and 75 per cent. for honours.

IV. Your Committee recommend that, as soon as the foregoing basis of agreement is ratified by the councils of the various Provinces, each council shall endeavor to secure legislation to authorize the carrying out of the foregoing preliminary and professional curriculum, and to embody the following to secure a Board of Examiners for a Dominion qualification, viz :

"That to soon as the various councils of the Dominion shall establish an Examining Board for the Dominion, conducted by examiners appointed by the Medical Councils of the several Provinces, their candidates passing a successful examination before the said Board and obtaining a certificate to that effect, shall be entitled to registration in the several Provinces of the Dominion on payment of the registration fee, providing he is not guilty of infamous or disgraceful conduct in a professional respect."

Your Committee desire to recommend that efforts to ascertain the practicability of Federal legislation leading to the establishment of a central qualification which will place the profession in Canada upon an equal footing with that of Great Britain, and Dr. Roddick be authorized to take the necessary steps in said matter.

We further recommend that this Association shall appoint a Committee who shall consider and recommend the details as to the number of examiners to be appointed—the method of conducting examinations,—the fees to be charged and other necessary details to bring the aforesaid scheme into active operation, which details the officers of this Association shall with the foregoing send to each of the respective councils for approval.
