MARK

This registered mark, or our name upon
any goods is a guarantee of excellence.

WE have recently issued a new handbook of our preparations containing many additions to lines comprised in former lists, and an entirely new line of medicinal elixirs. In inviting attention to our list, and comparison of its contents with those of other manufacturers, we beg to state that our productions are worthy of the utmost confidence; a statement which we base upon the skill and care expended upon their preparation at every stage of the varying processes, and one which we trust, by reason of the high reputation we have already so long enjoyed, will be accepted with readiness by physicians and chemists everywhere.
