Commercial Summary.

The three new pulp mills at Portneuf en bas
are being erected by the Dominion of Canada
Freehold Estate and Timber Company, limited.
A new saw mill will be erected next year.

It is stated that the work of extending the
North Shore Railway to deep water will be
commenced immediately, the contract having
been awarded to Mr. Roberge, of this city.

JAMES FLANAGAN, of Moncton, N.B., dry goods
dealer, has removed his dwelling from the
upper portion of his store and occupies the
whole building. Mr. Flanagan finds this
necessary owing to his largely increasing trade,
extending over a period of years.

THE PROCLAMATION is made in the Quebec
Official Gazette of Saturday last that the Credit-
Foncier Franco-Canadien has renounced the
privilege of fifty years from its final organiza-
tion, which privilege consists in the Quebec
Government binding itself not to authorize the
formation, within the limits of its territory, of
any other landed credit society, in any way re-
presented in France. The company takes this
action in order to be relieved of the limitation
to 6 per cent. in the rate of interest on loans
made by it.

THE liabilities of Mr. Robt. Campbell, tanner,
of Pictou, N.S., whose failure was referred to
last week, are estimated over \$200,000, due
chiefly in Pictou, Halifax, Boston and this city.
Mr. Campbell was carrying on an extensive
tanning business in Pictou. He also carried on
operations in Newfoundland, and his difficulties
are in part attributed to leakages in connection
with export business in that colony. He owes
\$75,000 alone to two concerns, one in Pictou,
the other in Halifax, and \$20,000 to a leather
dealer in this city. As nearly everything, in-
cluding stock, premises, &c., is hypothecated,
these and other firms may not lose much, but
there will scarcely be a dollar for outside cre-
ditors. The Bills Payable of the firm foot up
over \$180,000.
