

PARAGRAPHIC.

A GOOD CORN SHELLER FOR
TWENTY-FIVE CENTS.

A marvel of cheapness, of efficacy, and of promptitude, is contained in a bottle of that famous remedy, Putnam's Painless Corn Extractor. It goes right to the root of the trouble; there acts quickly but so painlessly that nothing is known of its operation until the corn is shelled. Beware of substitutes offered for Putnam's Painless Corn Extractor — safe, sure and painless. Sold at druggists.

Mulching the strawberries increases the size of the fruit, as well as the yield. It keeps the berries clean, and therefore in more marketable condition.

FOR CHOLERA.—Take a teaspoonful of Perry Davis' Pain-Killer in hot water, sweetened with sugar. Bathe the stomach and bowels freely with the Pain-Killer at the same time. If the attack be severe, and attended with cramps and diarrhoea repeat the dose every fifteen minutes, using hot fomentations on the bowels. In extreme cases the dose may be increased to a tablespoonful.

PUTTNER'S
EMULSIONOF COD LIVER OIL WITH
HYPOPHOSPHITES,

CHEMICAL REPORT.

CHEMICAL LABORATORY,
Dalhousie College, Halifax.

HALIFAX, N.S., Jan. 30th, 1885.

I have made analysis of Samples of the EMULSION OF COD LIVER OIL, prepared by the Puttner Emulsion Company, and they have explained to me the details of their process. The ingredients used, and the mechanical processes to which they are successively subjected, enabled this Company to prepare a Permanent Emulsion without the use of ACIDS or ALKALIES. This preparation has been known to me for many years, and when carefully prepared, is certainly a great improvement upon Crude Cod Liver Oil, not only being milder in flavor, but having the more substantial advantage of being in the best form for digestion and assimilation.

GEORGE LAWSON, Ph. D., LL.D., Fellow of the Institute of Chemistry of Great Britain and Ireland, Professor of Chemistry.

PUTTNER'S EMULSION is sold by all Druggists and General Dealers.
