The following focus group report is structured in such a way as to reflect the agenda utilized by the moderator in each group. A copy of the Ottawa agenda and the agenda used in both Vancouver and Winnipeg are included in the technical appendix attached to this report.

The report is structured in such a way as to compare responses among the two groups in each city (i.e., the moderate supporters and the moderate opponents) and to compare differences and similarities in attitudes and perceptions in different regions of the country. Differences and similarities are noted throughout the focus group report.
