

(4) In addition to the formal notification required by paragraphs (1), (2), and (3) above, the Contracting Parties shall, so far as possible, send to UNRRA at regular intervals notifications of other communicable diseases notified in their countries.

(5) The Contracting Parties shall make the necessary arrangements with UNRRA for giving prompt information to all the governments concerned of the outbreak in any country of a disease which, in the opinion of UNRRA, constitutes a menace to other countries, and of the measures which are being taken to prevent the spread of the disease across frontiers by aircraft.

(6) The notifications contemplated in paragraphs (1) and (2) of this Article are to be addressed to the diplomatic missions, or, failing them, to consular offices in the capital of the infected country and shall be held at the disposition of consular offices established in its territory.

(7) These notifications shall also be addressed to UNRRA which shall communicate them immediately to all diplomatic missions, or, failing them to the consulates in London or Washington as well as to the principal public health authorities of the participating countries. Those prescribed under paragraphs (1) and (2) of this Article shall be transmitted by telegraph or radio.

(8) The appropriate health authority of each Contracting Party shall transmit to the sanitary and authorized aerodromes of its country or within its jurisdiction all information contained in the epidemiological notifications and communications received from UNRRA (and the regional bureaus with which it has made agreements for this purpose) in execution of the provisions of the International Sanitary Convention of June 21, 1926 which may affect the exercise of sanitary control in those aerodromes.

(9) In order to facilitate the prompt and scrupulous fulfilment of the foregoing provisions, the Contracting Parties shall ensure priority for all communications which may enable UNRRA rapidly to appraise the situation concerning the outbreak of a disease and to inform governments in order that they may take appropriate measures against the spread of the disease across their frontiers.

ARTICLE VIII

The second paragraph of Article 32 shall be deleted.

ARTICLE IX

In Article 34, paragraph (b), the following shall be inserted after subparagraph (3):

(4) The Contracting Parties shall give favorable consideration to the inoculation against typhus of all persons on board exposed to risk.

Sub-paragraphs (4) and (5) of Article 34 shall be renumbered (5) and (6) respectively.

ARTICLE X

Article 35 (b) (3) shall be deleted and the following substituted:

(3) Other persons reasonably suspected to have been exposed to infection and who, in the opinion of the sanitary authority, are not sufficiently protected by recent vaccination, or by a previous attack of smallpox, may be subjected to vaccination or to observation or to surveillance, or to vaccination followed by
