

ARTICLE I

OBJECTIVE

The objective of this Agreement is to establish a framework of balanced rights and obligations and agreed rules for the conduct of trade and commercial relations between Canada and the Republic of Armenia.

ARTICLE II

DEFINITIONS

Territory

"Territory" means:

with respect to Canada, the territory to which its customs laws apply, including any areas beyond the territorial seas of Canada within which, in accordance with international law and its domestic law, Canada may exercise rights with respect to the seabed and subsoil and their natural resources;

with respect to the Republic of Armenia, the territory to which its customs laws apply.

Person

"Person" of a country means a citizen or permanent resident of the country or a body corporate constituted, under the laws applicable in, or principally carrying on its business within, the territory of the country.

Third Country

"Third country" means any country other than Canada or the Republic of Armenia.

Transit

"Transit" means the passage across the territory of a country, with or without transshipment, warehousing, breaking bulk, or change in the mode or means of transport, when such passage is only a portion of a complete journey beginning and terminating beyond the frontier of the country across whose territory the traffic passes.

Textile products

"Textile products" means tops, yarns, piece-goods, made-up articles, garments and other textile manufactured products (being products which derive their chief characteristics from their textile components) of cotton, wool, man-made fibres, or blends thereof, in which any or all of those fibres in combination represent either the chief value of the fibres or fifty (50) percent or more by weight (or seventeen (17) percent or more by weight of wool) of the product; artificial and synthetic staple fibre, tow, waste, simple mono- and multi-filaments, as well as textiles made of vegetable fibres, blends of vegetable fibres with fibres specified above, and blends containing silk, which are directly competitive with textiles made of fibres specified above and for which any or all of those fibres in combination represent either the chief value of the fibres or 50 (fifty) per cent or more by weight of the products.
