

GUIDE TO THE USER

This index is subject-based and extensively cross-referenced. Each topic is recorded by date. The date of entry may be found on the following page.

The index provides general subject headings as well as subject breakdown under the names of Members of Parliament indicating the subject areas discussed by them. The numbers immediately following the entries refer to the pages where the subject is discussed. The index also provides lists.

All subject entries in the index are arranged chronologically.

A typical entry may consist of a subject heading followed by one or more sub-headings.
