SUMMERSIDE, P.E.I.—OFFICE OF UNEMPLOYMENT INSURANCE COMMISSION

Question No. 2,129—**Mr. MacDonald (Prince):**

1. Is the office of the Unemployment Insurance Commission in Summerside, Prince Edward Island, to be closed?

2. If so (a) on what date and for what reasons (b) how many employees will be affected by this action (c) are they to be dismissed (d) has any preparation been made for their transfer?

Hon. J. R. Nicholson (Minister of Labour): I have been advised by the Unemployment Insurance Commission as follows:

1. Yes.

2. (a) It is expected that the Summerside local office will be closed around August, 1967 and its closure is in accordance with commission policy of consolidating and centralizing its operations; (b) Eight; (c) and (d) Seven of the employees have expressed a willingness to transfer and the commission is making preparations for their transfer. One employee does not wish to leave the area and the commission is endeavouring to place her with another government department in Summerside.

OXFORD, N.S.—FEDERAL BUILDING

Question No. 2,163—**Mr. Coates:**

Is it the intention of the government to construct a new federal building at Oxford, Nova Scotia, and if so, what action has been taken to date regarding the acquisition of a site and a location for this federal building?

Motions for Papers

Hon. G. J. McIlraith (Minister of Public Works): At the present time there is no plan for such construction.

QUESTION PASSED AS ORDER FOR RETURN

PRACTISING PHYSICIANS IN CANADA

Question No. 2,047—**Mr. Isabelle:**

1. How many practising physicians are there in Canada in proportion to the population?

2. How many physicians are there in Canada?

3. What universities in Canada have a school of medicine?

4. What is the percentage of failures among first- and second-year medical students at Canadian universities?

5. How many students are enrolled in the medical schools of Canada?

6. Since 1960, has the number of students increased or decreased at the schools of medicine of Canadian universities?

7. If there has been an increase, what is the percentage of such increase; or if there has been a decrease, what is the percentage of such decrease?

8. How many students has each school of medicine refused at the first-year level in 1963, 1964 and 1965?

Return tabled.
