7. GENERAL REGULATIONS WITH RESPECT TO AUTHORIZED TEXT BOOKS IN THE PUBLIC SCHOOLS.

Approved by the Lieutenant-Governor in Council.

1. From and after the 18th day of August next, the several text-books, hereinafter mentioned, shall constitute the only authorized text-books for use in the Public Schools in the respective subjects appearing in the Schedule A, annexed.

2. In order to secure the proper quality, and cheapness in price, of the several text books so authorized, a sample copy of each published in Canada shall be filed in the Department, and the retail price of the several books shall not exceed the price appearing in column 4 of the said Schedule A, and as to such books as are published in England or elsewhere, the edition shall be that appearing in the said Schedule.

3. The editions of authorized text-books which are published in England as mentioned in said schedule, and whether copyrighted or not, are authorized for use in the Public Schools, when sold at a retail price not exceeding the price in cents also mentioned in the said Schedule.

4. In order that Trustees, Inspectors, and others, may readily ascertain that the text-books in use are duly authorized, each publisher or bookseller is required to stamp each volume on the title page to the effect that the book is authorized by the Department, and the retail price thereof. Any volume of a book otherwise authorized shall not be deemed to be duly authorized if such stamp is omitted therefrom.

5. Where a text-book heretofore authorized on any of the subjects mentioned in the Schedule has already been introduced into a School, and is in use, the teacher shall not substitute therefor any other authorized text-book, unless and until he shall have obtained the sanction of the Trustees, and the Public School Inspector to such change.

6. The Department may from time to time recommend such books as may be aids to Teachers for study or reference by them, and it is not required that such should be authorized so long as they are not used as text-books by the pupils in the Schools. The books appearing in Schedule B annexed, are now recommended for use or reference by teachers, and it is expected that the retail price of books so recommended, will not exceed the price placed thereon in said Schedule B.

7. The Department reserves the right to remove from the list any book authorized or recommended, in respect of which the publisher or bookseller fails to observe any of the conditions prescribed by these regulations.

8. The use in the Public Schools of editions printed or published in the United States, of English or Canadian works hereby authorized, is prohibited, and such reprints shall in no sense be considered as authorized by the regulations.

9. In cases in which the copyright of the School text-books is in the Department, or the late Chief Superintendent on behalf of the late Council of Public Instruction, publishers and printers in the Province of Ontario may, upon application to the Department, obtain permission to print and publish editions of such work. Any such edition shall, in its binding, typography, paper, and other qualities, be equal at least to the standard copy of the Department, and the retail price thereof shall not exceed that placed thereon in the said Schedule A, and before permission to print or publish such edition is given, the publisher shall give security, himself in \$2,000, and two sureties to be approved by the Minister, in \$1,000 each, to secure that such edition when completed, shall be, including each separate copy, in accordance with the requirements of this regulation.

Minister of Education.
