

## Remember Our Boys At The Front

To them the cigarette is the panacea for all ills. I have seen men die with a cigarette between their lips, the last favor they had requested on earth. If the soldier is in pain, he smokes for comfort, if he is restless he smokes for solace; when he receives good news he smokes for joy; if the news is bad, he smokes for consolation; if he is well he smokes, when he is ill, he smokes. But good news or bad, sick or well, he always smokes.
