Pointe-aux-Trembles Schools.

THE following is a list of the scholarships towards the support of the Mission Schools. The total number is 84. The pupils in actual attendance number 101. The buildings can accommodate fully 150. It is hoped that other Sabbath-schools and friends of the work will come to the help of the Board so that they may have sufficient scholarships guaranteed to warrant them in admitting as many pupils next term as the Mission premises will accommodate. The scholarships are placed at \$50 each, this being the average cost to the Board of each pupil.
