Rosedale Badly Beaten Compelled to Follow On Germantown Too Strong

Visiting Cricketers Win by an Innings and 95 Runs—Thorne and Reid Bat Well for Losers—Greene's Good Bowling.

In glorious weather Rosedale, 175 behind with 4 wickets to fall, and requiring 76 to save the follow-on, resumed their innings at 11 a.m., Bell being 11 not out and Smith not out 0. Clark opened the bowling with a maiden, and Greene went on at the pavilion end. Bell gave a chance in the slips off Clark, and at 37 Smith skied a ball off the same bowler and was easily caught by the wicket-keeper.

Greene's Leg-breaks.

Without any addition to the score Bell was beaten by a beautiful ball from Greene, the ball breaking across the wicket. Lambe joined O. Wallace, but the second ball from Greene sent him back, and the last man, Spinney, came in. Three runs were added when Greene bowled C. Wallace, the innings realizing 40 runs.

Fine Bowling.

Clark and Greene each sent down four overs, and the latter's three wickets cost one run. Germantown's fielding was of a high order, their groundwork saving many boundaries, while the fielding of the ball and the return was made with one movement. The innings closed at 11.30 a.m., Rosedale being 164 behind.

Rosedale's Follow On.

Rosedale were required to follow on and Captain Wookey altered the order of batting, sending in Colborne and Marsden to face the bowling of Savage and Tripp at 11.45. Marsden cut his first ball finely for two, but in Tripp's first over he was unfortunately run out, the total being 3.

Close Fielding.

O. Wallace came in and drove Savage for a brace and a four in one over. At 12 Tripp, a right-arm fast bowler, spread Colborne's wickets and Thorne joined C. Wallace. No liberties could be taken either with the bowling or fielding, Germantown giving nothing away. A lovely catch in the slips by Anderson off Savage sent back O. Wallace and 3 wickets were down for 14.

Two Captains.

Captain Wookey joined Eaton's captain, who drove Tripp for 2 and 4, all run, and a boundary, the over producing 10 runs. The score was 28 when H. G. Wookey was clean bowled by Savage and Bell joined Thorne, who was batting well.

Bell Fails.

Bell did not repeat his first inning's performance, being caught by Kelly off Savage without scoring, letting in Reid. The Germantown bowler was practising the off theory, sending up balls well off the wicket and having four men in the slips.

Thorne Top Scorer.

Thorne was playing fine all-round cricket, selecting the balls to hit with rare judgment and driving and cutting with equal facility. He monopolized the scoring, and altho going in at the fall of the second wicket, he made 24 out of the first 37. At 43, however, he returned the ball tamely to the bowler, Savage holding it with the left hand. Torne's chief hits in his invaluable 26 were 2 fours and 8 twos.

Slow Scoring.

C. Wallace was the newcomer, the second innings having lasted an hour and producing 43 runs. Reid, when 8, was missed in the slips off Savage, the score then reading 48 for 6. Reid sent up the 50 with a single off Tripp. C. Wallace was in 15 minutes before he scored, when he cut Tripp thru the slips for a brace.

Lunch Score

At 1.05 lunch was taken, the score being 56 for 6 wickets, Reid not out 13 and C. Wallace not out 2. Thus Rosedale still required 102 to save the innings' defeat with 4 wickets to fall.

Bowling Changes.

On the resumption a double bowling change was made, the attack being entrusted to Anderson and Haines. By steady batting the score was taken to 86, when Reid was well taken by Haines off Anderson. Smith joined Wallace but without any addition to the score he was clean bowled by Anderson, letting in Spinney.

Collapse at 66.

At the same total Wallace was beaten by Haines and the last man, Lambe, came in. Three wickets fell at same total, 66, and three runs later Spinney was cleverely caught by Savage off Haines, the match finishing at 2.30. Germantown thus gained a decisive victory by an innings and 95 runs. The visitors had showed a marked superiority in every department of the game, and special mention should be made of their fielding.

Cause of Defeat.

Rosedale lost primarily because they were up against a better team in every department, batting, bowling and fielding. True, they had the worst of a bad light on Monday afternoon and yesterday under the influence of a bright sun the wicket became increasingly difficult. Doubtless some of the Rosedale "tail" suffered from stage fright, and this affects players even in international cricket. Thorne, 26, and Reid, 22, were responsible for three-quarters of the second inning's score and Thorne especially batted as if he was set for a big score.

Winning Captain.

Interviewed by The World, Percy Clark, the winning captain, said: "We are not accustomed to soft wickets in Philadelphia. Our wickets are as a rule hard and fast, and it necessitates great care in judging the pace of the ball when we encounter such a slow wicket. I should say, however, that Rosedale ground is finer than the great majority of cricket pitches in the States."

PARKDALE TO PLAY SENIOR

West End Canoe Club to Have Two Teams in O. R. F. U. This Season—The Officers.

At a meeting held in the newly-finished club house at Sunnyside last night the Parkdale Canoe Club decided to place teams in both the senior and junior divisions of the O.R.F.U. for the coming Rugby season. There was no senior team bearing the Parkdale colors last year, but the junior aggregation made a good showing, getting into the semi-finals. The majority of last year's junior stars will turn out again this season, and it is likely that a few of them will be promoted into senior company.

There is an abundance of good material to form the bones of the senior outfit, say Parkdale men. Leonard and Hassard, who shone on the line for the champion Varsity team of two seasons ago, are Parkdale boys, and will be a tower of strength to the team. And there are others.

Junior and senior committees were appointed last night to handle executive business in connection with the Rugby season. Hugh Gall will act as chairman of both committees, an arrangement which will insure smooth running and no friction. The personnel of the committees is as follows:

Senior—Hugh Gall (chairman), Ramsay Evans, Roy Henders, Percy Scott.

Junior—Hugh Gall (chairman), Bill Galloway, Percy Hoffman, Art Scott and Gordon Cummings.

Almost seventy-five members of the club attended the meeting, and there was much enthusiasm shown over the prospects for the season. The new club house is just receiving its finishing touches, the polishing of the hardwood floors being finished only yesterday.

The Beach Canoe Club Rugby meeting to-night at Balmy Beach his attracting much attention among the Rugby followers at the beach.

The paddlers have been scouting for the past two months and have gathered a formidable junior aggregation. The line up is a secret as yet, but will surprise many, and they should go a long way in the Junior O.R.F.U. Jimmy Dolan is the man at the helm, and will welcome any good player at the meeting to-night.

Champions of America To Play the All-Stars

Arrangements are complete for handling the international soccer game between Cleveland, champions of America, and the all-star T. and D. team, at Varsity Stadium, on Labor Day, kick-off at 3.30 p.m. As the challenge comes from the Americans, they evidently think they can break the undefeated record of the Torontos. The T. and D. League, however, challenge all-comers, and will put out their best eleven at Varsity Stadium for this game.

Tecumsehs and Torontos Saturday

On Saturda yafternoon the Tecumsehs and the Torontos will meet for their last battle of the season at Scarboro Beach. A week later, the blue shirts will entertain the Nationals, and on Sept. 7 they will go to Montreal to wind up the season on the grounds of the Irish-Canadians. They hope to finish the season without another loss, but even should they lose a game or two they can hardly be beaten out of the championship of the Big Four. Followers of the Toronto team who have waited for twenty-six years to see the boys in blue win a championship are about to be gratified at last, and they will be free to admit that never before has such a great combination worn the old colors. Of course the Tecumsehs will make a great effort to score at least one win over their historic rivals, and Saturday's game will be like every other game in whic hthe two teams have engaged this season—it will be a battle. It may be that Harry Holmes, the real hero of the game with Nationals will be placed in the flags, for it is unlikely that Davy Gibbons will be in shape to play. The plan for the game is now on sale at the Bell piano warerooms, 146 Yonge-street.

Victorious American Cricketers Start Two Day Match With Picked Team To-Day.

The Germantown Cricket Club of Philadelphia, who are now on tour in Canada, will meet the Zingari in a two-days' match at the Varsity Campus, commencing to-day. The Americans have brought a strong eleven with them, headed by Percy Clark, and, given fine weather, an interesting match will undoubtedly result.

The team to represent the Zingari, altho one or two familiar names are missing, is a strong one: A. H. Gibson (Capt.), W. R. Marshall, J. L. Counsell, Dr. W. W. Wright, L. M. Rathbun, H. S. Reid, H. G. Wookey, A. C. Heighington, J. L. Hines, P. E. Henderson, S. R. Saunders.

SKEETERS EASY PICKINGS LEAFS WIN UNDER WRAPS GRAHAM BACK IN THE GAME

Good Stick Work Gives Toronto Second Victory Over Jersey City — Rudolph Pitches Well and Mason Is Downed 6 to 3—Shaw Put Out of Game.

The smooth-going baseball machine run and operated by Joseph Kelley, Esq., pedalled away with another victory from Schlafly's sand lot squad yesterday. It was the easiest kind of a workout for the local hired heart-breakers and the reckoning at 5.35 p.m. stood 6 to 3 in favor of Kelley.

Richard Rudolph was the ladies' day heaver, and bested Slender Del Mason. Mason pitched very good ball at that, but his team mates failed to uncork the timely drives and Del went down to defeat. The Kelley boys hit in their usual fashion, and the drives were mostly just when they were needed. Rudolph helped things along with two good connections, one of them for two corners.

It was in the second, third and eighth innings that the Pesky Skeeters gave the most trouble. Their three tallies were squeezed across before half of the battle had been waged.

A pass to Barrows, a triple by Knight and Purtell's sacrifice fly chalked up two of Jersey's three runs in the second. After Thoney had popped out in the next session Breen came along with a single and stole second. Kelly lifted out, and Barrows drew his second walk of the day. O'Hara dropped Knight's fly and Breen scored, but Knight was caught at second on a relay throw from left.

The Pests gave a little trouble in the eighth, but Rudy kept them scoreless. McConnell booted Kelly's roller to begin with, and Barrows poled a hit to left. The next three were easy.

The Leafs went out ahead in the second by coming across with three runs. Jordan got a life when Purtell dropped his pop fly. Bradley skied to right, and McConnell got a free ticket. Holly forced McConnell at the middle cushion, and Jordan came home when Janvrin threw to the stand trying to turn it into a double play. Bemis sent Holly in with a single, and Dalton uncorked a hit that tallied Bemis. Rudolph was caught at the plate on the throw in of O'Hara's single.

The third and fourth innings netted the Leafs a run in each, and they were on easy street. A walk to O'Hara and Graham's double brought in Toronto's 6th counter in the 7th.

Shaw was chased in the first innings for disputing Byron's calling of balls and strikes, and Peaches Graham went to centre field, bad hand and all. The score:

Five Olympic Riders At Big Four Meet

A great array of talent has come forward for the "Big Four" bicycle race meet at the Scarboro four-lap track to-night. No less than five genuine Olympic riders have entered for the half dozen races on the program. These include Walter Andrews and Harry Young, who competed at London in 1908, Frank Brown and George Watson, who have just returned from Stockholm, where they made a name for themselves, and Al Krushel, the grand little Buffalo artist, who was one of the early finishers for the Yankee team in the Lake Malar grind. Krushel is riding in the open events, while his "big brother" Joe Schleder is drawn to meet Andrews and McMillan in a number of invitation sprints for which McMillan happens to be the favorite on account of his victory in the pursuit race at the beac htwo weeks ago.

There will be no loafing or lagging all evening as a strenuous program has been prepared. The races carded have attracted such big fields that no less than twenty-seven preliminary and final heats are required for the ope nevents, besides which there will be the special races. The first gun will be fired at 8.15 sharp. The crowd for the meet will also be entertained with fireworks from the park.

TWO UMPIRES WERE INJURED

Brennan and Owen Both Hurt in One Game at Pittsburg—Players Finish Game.

PITTSBURG, Aug. 20.—In the doubleheader here between Pittsburg and Brooklyn, Umpires Brennan and Owens were both injured in the first part of the first game, and two players were called upon to act the rest of the first game and all of the second. As far as is known, this is the first time both umpires have been hurt in a major league game. The two teams split the double-header, Pittsburg winning the first, 3 to 2, and Brooklyn the last, 9 to 1. Umpire Brennan during the first innings of the first game, slipped near second base, injuring his kneecap. Umpire Owens, who was behind the bat, was hit by a foul tip off Jack Miller's bat in the second innings of the same game, his breastbone being broken. It was then decided by the managers of both teams to use players as umpires. Catcher Phelps of Brooklyn and Hyatt, utility man of the Pittsburgs, were called upon to act, and umpired the rest of the afternoon. Umpire Owens was unconscious when taken to the hospital. Physicians, it is said, will have to use an X-ray to ascertain the extent of his injuries. Umpire Brennan is not so seriously hurt.
