The largest older boys' conference in Toronto's history opens tonight in Bloor Street Presbyterian Church and closes on Sunday evening. Tonight's session is open to the public, and the program includes addresses by Rev. C. Melville Wright, Rev. W. A. Cameron and J. P. Hagerman. Denominational conferences to discuss policies for Sunday school work will conclude the opening session. The conference has been promoted by the Toronto advisory committee for co-operation in boys' work, which embraces official representatives of the Toronto Anglican, Baptist, Congregational, Methodist, Presbyterian and Sunday school associations. On Saturday afternoon Rev. R. A. Hillz will outline the "Trail Ranger's Program." Rev. Frank Langford the "Tuxis Program" (demonstration by High Park Methodist, Punis Square), while Major A. W. Forgie will present the program the Sunday schools should follow for the older boys (18 to 21 years of age). Banquet Session. At 8.15 the big time of the conference—the banquet session—will be held in Central Y's gym, at which time Taylor Statten and Major Forgie will bring messages on vital themes. On Sunday afternoon at 4 o'clock 2000 older boys and their leaders will

assemble in Bloor Street Presbyterian Church for an international rally, to be presided over by Major Jack Beaton and addressed by J. P. Hagerman. Pidgeon will bring the closing message, and conference reports will be presented by selected older boys representing all denominations.

UNIFICATION IS GREATLY DESIRED

Trades Union Unit and I.L.P. May Soon Form Joint Executive?

Louis Braithwaite, who, with J. E. Dobbs, has called a convention of the trade union unit of the Ontario section of the Canadian Labor party, made it clear yesterday afternoon that the convention was called for the purpose of considering political action with respect to the municipal campaign and not for the purpose of recommending candidates for the city council. "As a matter of fact," said Mr. Braithwaite, "it is the intention of the convention to elect an executive following which it is hoped a conference will be possible between the executives of both the trades unions and the Independent Labor party to consider both the feasibility and the advisability of forming a joint parliamentary executive to take full charge of the municipal campaign. In this way one central body would conduct affairs instead of several, as at the present moment." Louis Braithwaite, James Simpson, Tom Mellillou, James Higgins and other prominent members of the trades union movement in politics are understood to have joined the I.L.P. as individual members. So far as has been ascertained the convention of the Independent Labor party, which is to be held on Saturday, will primarily be for the purpose of electing officers for the ensuing

year and to consider the constitution. It is not known whether or not the question of municipal candidates will be considered. Interviews held to date show that there is a general desire on the part of both the I.L.P. and the trade union unit to unify activities in connection with politics.

ENGINEERS WON'T JOIN C. F. OF L.

You can take it from me that our organization is not in any way affiliated with or intending to affiliate with the Canadian Federation of Labor," said T. B. Reid, business agent for the International Union of Stationary Engineers, Local 151, referring to an alleged report in an evening paper to this effect. "We are going strong as we are, and are perfectly content with our present system of organization."

ADDITIONS TO COAL DRIVERS.

REAL UNION PROGRESSING.

The Bread Drivers' Union yesterday afternoon reported the enrollment of ten new members, and stated that everything pointed to not only progress but harmonization of interests between themselves and the journey-men bakers. A joint concert is to be held shortly to cement the new union of forces.

LOOKING FOR INFORMATION.

Officials of the Canadian Federation of Labor stated yesterday after-

noon that next Friday would witness a conference of delegates from every union of the federation in Toronto to discuss the advisability of forming a co-operative stores organization. When informed that such an organization had been already formed, they expressed a desire to get in touch with officials of this society with a view to co-operation. If this co-operation is effected all access will be joined together on common ground, and the Canadian Federation of Labor will be enabled to lend its influence to the furtherance of such a scheme. This was the opinion expressed yesterday afternoon.

MR. HOPKINS, BUSINESS AGENT FOR THE PAINTERS AND DECORATORS' UNION, IS CONNECTED WITH THE CO-OPERATIVE SOCIETY ALREADY ORGANIZED, AND OFFICIALS OF THE CANADIAN FEDERATION STATED THEY WOULD INVITE OFFICIALS OF THE SOCIETY TO STATE WHAT HAD BEEN DONE IN CONNECTION WITH THE MOVEMENT, SO THAT THEY MIGHT KNOW HOW TO AFFILIATE WITH THE ASSOCIATION.

MR. FLAVELLE EXPLAINS.

Chairman Flavelle, of the license board, yesterday said he had never given an interview to the effect that Montreal dealers were within their rights in receiving orders for liquor shipments to Ontario following the proclamation of peace. Neither did he say that even if such orders were placed thru agents in Ontario they would not be violating the law.

DENMARK IS ENTITLED TO HAVE 62,000 MILES OF PEAT LANDS AND IS ANNUALLY INCREASING THE USE OF PEAT FOR FUEL.

JOINT EXAMINATIONS Pupils' Opportunity to Qualify for Entrance to Normal Schools or Faculties of Education.

With the object of reducing and simplifying the examinations required of high school pupils, Hon. Dr. Cody, minister of education, has been for some time negotiating with the university authorities, with a view to combining the pass and honor examinations for matriculation with the examinations for entrance to the normal schools and the faculties of education. He now announces that arrangements are fully completed for joint examinations. In the past, the high schools have been required to prepare candidates for two types and standards of examinations based on the same courses. By this arrangement, the work of the schools will be materially lessened, and the pupils will have the opportunity of qualifying at the same examination for entrance to the normal schools or the faculties of education and the universities.

HONOR TO SERVE, HEARST DECLARES

Ontario Premier Grateful for Support Received by Government.

There was a general cleaning up of desks of the retiring Ontario cabinet ministers at parliament buildings yesterday, and everything will be in order for the members of the new government when they take possession today. Sir William Hearst was the only minister to issue a valedictory statement, which follows: "In retiring from office I have nothing to add to what I have already said, save that I recognize heartily and gratefully the staunch support for good measures which the government has received during its term of office from the great majority of the people of Ontario. It has been an honor and a privilege to serve this great province, particularly during the strenuous war period thru which we have just passed, and the future prosperity and happiness of Ontario will be my dearest wish."
