Will Investigate.

New York, Nov. 1.—Definite arrangements for the wedding of Admiral Dewey and Mrs. Hazen have not been arranged. The Washington agent of The Herald writes: The fact that Mrs. Hazen is a Catholic and that Admiral Dewey is a Protestant will prevent the marriage taking place in a Catholic Church, unless there should be a special dispensation from the Pope. Admiral Dewey is nominally a member of the Protestant Episcopal Church, but he has never emphasized questions of dogma or creed. It is thought by those who know him most intimately that, if only his personal interests are consulted, the wedding will occur soon and with as little ostentation, as possible.

SENSATION AT MADRID.

Three Islands of the Philippine Group Were Not Included in the Senate yesterday by the declaration of Count D'Almenas that, owing to the ignorance of the Spanish-American Peace Treaty Commissioners, three islands of the Philippine group—the two Batanes and Calayan Island, both north of Luzon—were not included in the scope of the treaty. These islands, he asserted, ought to be made the basis of negotiations for the Ilberation of the Spanish prisoners.

I am now out on the road and exposed to all kinds of weather, but have never been troubled with rheumatism since.
