REBUKES KING LEOPOLD.

Emperor Francis Joseph Invites Princess Stephanie to Visit Him.

London, Oct. 5.—Emperor Francis Joseph has sent a special invitation to Princess Stephanie (widow of Crown Prince Rudolph and now Countess Lonyay) to visit him when she returns from England. This is regarded as an intentional mark of the Emperor's disapproval of King Leopold's treatment of his daughter Stephanie on the occasion of her mother's death—treatment which aroused the anger of the whole of Europe against the King, whose reputation is already the most unsavory of all the European royalties. It is well known that Emperor Francis Joseph is deeply attached to the Princess Stephanie.

St. Andrew's Beat Varsity III.

St. Andrew's College had an easy victory over the Varsity III., in a practice game on Saturday afternoon. The game was a very fair exhibition of Rugby. The college wings repeatedly broke thru on the Varsity halves, and the back division worked well together. The scoring was mostly all in the first half, two tries being scored, and Sale easily converted the first. The final score was 12 to 0 in St. Andrew's favor. Allan McGee of Varsity was referee, and Harcourt assisted as umpire. The teams were:

Varsity (0)—Full, Beale; halves, Reade, Lang, Rutherford; quarter, Fletcher; scrimmage, Cochran, Moore, Wicker; wings, Snively, Henderson, McGivern, Foile, Reade, Brown, Moore.

St. Andrew's (12)—Full, Isbester; halves, Wallace, Sale, Gooderham; quarter, Hay; scrimmage, Harrison, Scott, Douglas; wings, Smith, Russell, Hunt, Willmott, Dunst, Nasmith, Chesnut.

At Dundas—The game in the Junior O.R.A. between Dundas and West Enders of Hamilton resulted in a victory for the West Enders by 10 to 0.

AFFIRM THEIR ALLEGIANCE

Railroad Teamsters Declare They Will Not Go Over to International Body.

K. OF L. GOOD ENOUGH FOR THEM

Maltsters Organize a Union—Piano Workers to Organize—Other Labor News.

The railroad teamsters who form Maple Leaf Assembly No. 1960, Knights of Labor, are not worrying over their exclusion by the Dominion Trades and Labor Congress or the report of another international organization being formed in this city. At their meeting on Saturday night in Pythian Hall, the situation was discussed and the following resolution passed: "That in view of the utterly false, malicious and misleading statement that appeared in some of the Toronto newspapers in the early part of last week to the effect that this assembly, Maple Leaf, 1960, K. of L., railroad teamsters, had gone over to the International as a result of the action of the recent session of the Dominion Trades Congress, held at Berlin, so that they might better protect themselves; resolved, that we, the members of Maple Leaf Assembly, 1960, K. of L., desire to and hereby deny all or any statements as to our deserting the order of the Knights of Labor for any other organization and we do hereby denounce the mean and contemptible methods resorted to by certain interested parties to disrupt our assembly; and be it further resolved that we take this opportunity to express our entire satisfaction with the order Knights of Labor, believing that the principles enunciated by that order are the only true means by which the toiling masses can ever expect to raise themselves above the condition of the chattel slave; and further that the order that has for its motto, that great truism, 'An injury to one is the concern of all,' is good enough for us, and this is our ultimatum to all."

Toronto Maltsters Organize.

At a meeting on Sunday afternoon in Richmond Hall of the Maltsters employed in the breweries of the city, a local union of the International Union of the United Brewery Workers of North America, was organized and the necessary arrangements made for another meeting to be held on Sunday afternoon, Oct. 19, at 2.30. The work of organization was perfected by the International organizer. From the interest taken by the many present the new organization promises success.

Piano Workers May Organize.

Charles Dold of Chicago, organizer for the Piano and Organ Workers' International Union, is in the city. He is arranging for a meeting of the local members of the union to discuss the advisability of organizing a council of the trades here. At present the union piano and organ workers are affiliated with the Woodworkers International Union.

The strikes of the Jewelry Workers and Union Builders' Laborers were unchanged on Sunday.

The general assembly of the Knights of Labor meets in annual convention at Niagara Falls, N.Y., on Nov. 11.

Neither Side Scored.

The Broadview and All Saints' intermediate teams played an exciting match on Saturday afternoon, resulting in a draw, neither side being able to score. The game was a fairly good exhibition for the first of the season, both defences being particularly strong. The play was fairly even in the first half, both sides having several chances in the second half. The Broadviews pressed steadily, but the splendid defence work of Smith, Pyne and Harrison kept the goal intact. Mr. Granner made an acceptable referee. The teams:

All Saints' (0)—Goal, Harrison; backs, Yyne, Smith; half backs, H. Livingstone, Nixon and Langton; forwards, Laing, Bragg, F. Livingstone, Smith and Wilson.

Broadviews (0)—Goal, Chandler; backs, McIvor and Maddocks; half backs, Clarke, Gibbons, Hewlett; forwards, Lewis, Gill, Vaughan, Hunt and Summerhayes.

Sporting Notes.

Jimmy Casey, former captain of the Detroit baseball team, has signed with the Chicago Nationals for next season.

Martin J. Sheridan of the Pastime A.C., New York, on Saturday threw the discus 129 feet 3 inches, thereby wiping out all previous world's records for that game.

President Pat Powers has instructed his managers of the Eastern League to go into the American Association for players next season. This latter organization is not within the National agreement, and Pat declares it exempt from all consideration.

Eddie Lenny boxes 6 rounds with Young Corbett in Industrial Hall, Philadelphia, tomorrow night.

The North Torontos play the Liederkranz at O'Halloran's Grove to-morrow, starting at 3 p.m.

Joe Walcott has signed articles to meet Frank Childs at Chicago on Oct. 9. This will be the long and short of the colored championship. Childs is 6 feet 2 inches, while Walcott is just a little over 5 feet.

Baillie's Generous Offer Accepted.

At a general meeting of the Toronto Canoe Club, held at the clubhouse on Saturday evening last, it was decided unanimously to accept Mr. Frank W. Baillie's generous offer of a trust fund, the annual proceeds of which are to purchase a life membership of the club for the contestant winning the highest number of points at the club's annual regatta in each year. A most hearty vote of thanks was tendered to Mr. Baillie by the club for his splendid gift and the deep interest he has taken in canoeing and the Toronto Canoe Club. It was also decided to ask the executive to take the necessary steps towards forming a dinghy section in the club.

Only One Pigeon Returned.

The Queen City Homing Pigeon Association flew its fifth race on its schedule for young birds on Saturday, from Imlay City, Mich., to Toronto, a distance of 206 miles. The express agent wired that he released the pigeons at 9 a.m., Toronto time. The race proved to be one of the most disastrous flights ever flown in the association. Mr. J. Wilton's Grape Wine being the only bird home the same day, out of 48 birds sent. Messrs. G. North, J. Bustin, W. Smithson, C. Stirley, R. Cowling and T. Saunders had no returns.

Tenpin Meeting To-Night.

An important meeting of the Toronto Tenpin League will be held to-night at 8.30 at the Liederkranz. All team entries must be made to-night with the secretary, as it is intended to draw up the season's schedule at once.

Public Amusements

Mr. E. H. Sothern and the members of his company, to the number of 50 and upwards, arrived last night in Toronto from Buffalo. They will open this evening at the Princess Theatre in Mr. Justin Huntly McCarthy's four-act play, "If I Were King." This is the same play which was admittedly the bright particular success of last season in the United States. The same company will be seen in it here, except that Miss Margaret Illington will take the place of Miss Cecilia Loftus, who is at present acting with Sir Henry Irving in England. Miss Jennie Eustace, who will appear as Ruguette, a woman who adopts man's costume in preference to that commonly worn by her sex. Among the principals of the company are George W. Wilson, who is said to give a wonderfully clever portraiture of of the crafty old monarch, Louis XI., Stephen Wright and Rowland Buckstone. Mr. Sothern's part is that of Francois Villon, a vagabond poet, whom Louis, for his own spor and to punish Villon for reciting treasonable verses, makes Grand Constable of France for a week, with the prospect of the gallows at the end of it. How Villon rises to the occasion and saves his neck is cleverly told in the play.

Delmore and Lee, who head the bill at Shea's Theatre to-day, have one of the greatest acrobatic acts ever seen on the stage. Their style of work is thrilling, exciting, dangerous and interesting. They will probably prove one of the best gymnastic acts Mr. Shea has offered in Toronto. Kathryn Osterman and Company will be seen in a comedy sketch, entitled, "To-Morrow at Twelve." Miss Osterman is one of the most beautiful women on the stage, and a very clever actress. Frank and Jen Latona will present a high-class musical act, in which there is plenty of comedy. Blocksom and Burns, eccentric comedians; Bradley and Carlisle, in a kid act; the Young American Quintet; the Baileys, and the Kinetograph, complete a bill that is fully up to the Shea standard.

In "A Little Outcast," the attraction at the Toronto Opera House this week, Miss Anne Blancke, who became popular while playing with the stock company in this city, is seen in the role of "Bob," the newsboy, and captivates the audiences by her clever impersonation of the character. Mr. Joseph Callahan, the leading man, is an actor of exceptional ability, and the two principals are supported by one of the strongest companies playing the melodrama houses. The story of "A Little Outcast" deals with life in New York, and the play presents many scenes in the big city is an accurate manner. During the engagement a matinee will be given every day except Wednesday.

"A Hot Scotch Major," a new musical comedy, will be presented at the Grand all this week, with matinees on Wednesday and Saturday. The principal facts in regard to the comedy are these: It is original; it has a consistent plot; ludicrous situations, and a laughable dialog; its lyrics range from the most delicate satire to the broadly farcical, and its music is light, fanciful and catchy. The cast is unequalled, the chorus unsurpassed in size and quality, and the costumes and settings the admiration and wonder of theatregoers.

For the first time in Toronto the music given at the coronation of Their Majesties King Edward and Queen Alexandra on Aug. 9, will be produced by selected boy sopranos of the coronation choir, who were actually present, in conjunction with the Metropolitan Church choir at the Metropolitan Church on Thursday evening, Oct. 16.

At the Star Theatre this week is the "City Club." The chef d'oeuvre of the entertainment is the presentation of the French pantomine sketch, based upon the famous painting known as "Une Affair d'Honneur." The affair will have for its central figure Mlle. Janette Perre, the noted French actress.

For her appearance at Massey Hall on Thursday evening, Oct. 16 (Thanksgiving night), Mrs. Jessie Alexander Roberts is receiving the highest fee ever paid a Canadian artist in Toronto.

What every woman does not know is that in common soaps she frequently pays for adulterations at the price of oils and fats. Try Sunlight Soap—Octagon Bar—next wash day, and you will see that Prof. Ellis is right. He should know. 206
