THE BOMBARDMENT OF MANILA. London, May 3.-A special dispatch from Madrid says the Spanish colonial office had advices of the beginning of the bombardment of Manila, before the cable was cut, which said: Thus far the American shells have not reached the town proper, which is strongly protected. Continuing, the advices to the colonial office at Madrid are said to have read: Only the outlaying quarters have suffered. They are now in flames. Occasionally a shell fell in the European town, where a few houses were struck. SHORT OF MONEY.

The Spanish officials say that when Commodore Dewey demanded the surrender of the Spanish guns, torpedoes, etc., Gov.-Gen. Augusti replied: "Come and face them!" The second Spanish squadron, a Cadiz dispatch announces, consisting of the warships Pelayo, Alfonso XIII., and Vittoria, and a number of smaller ships, has nearly completed its preparations for active service. It is reported, however, that great difficulty is experienced in fitting out the ships, owing to lack of money. The British engineers have refused to serve on board them, owing to the belief that they are liable to heavy pun-

ensions among the insurgents at Hong Washington, May 3.—There was no word from either diplomatic or naval at the departments today concerning the engagement of Commodore Dewey last Sunday. None of the stories coming from Spanish sources as to the battle of Manila appear quite so ridiculous to naval eyes as the solemn statement that Commodore Dewey fired Manila and the Spanish ships by the use of petroleum bombs. There is no such weapon of warfare in the American navy. The ordinary service shell
