success of the American Theosophists'

Special Saturday Cable Letter to The

London, Oct. 17 .- The past week has been cold and stormy, seriously interfering with outdoor exercises and George Dobie, of Glencoe, has disposed of the south half of lot 4, in the second range north of Mosa, to Mr. Glasgow. Price, \$4,000; 100 acres, buildings for the south that the second range north of Mosa, to Mr. Glasgow. Price, \$4,000; 100 acres, buildings for the second range north of Mosa, to Mr. Glasgow. Price, \$4,000; 100 acres, buildings for the second range north of Mosa, to the second range north of Mosa, the second range north of Mosa, to the second range north of Mosa, to the second range north of Mosa, the second range nort ter and son-in-law, were in town towards the end of the week, and were busy visiting the picture galleries and slays: Robert McArthur, of Glencoe, Ont., was stopped by Customs Officer Culhane at the foot of Woodward avetheaters. Most of the fashionables remain in the country, as the continued rain is affecting those who are crowded into the smoky city. The weekly record for deaths from diseases of the respiratory system has gone up from 118 for the second week of September to 218 for the second week of October, and the death rate for the same period

has gone up from 149 to 162. A LORDLY BUTTER MAN. The Earl of Winchelsea has started in business as a butter man and general provision merchant, in the vicinwas preached by Rev. Mr. Dickson, of ity of Covent Garden, under the auspices of the National Agricultural The monthly meeting in connection He will attempt to supply British tables with the help of the British farmers, against foreign comvillage. Quite a number of Friends came from Lobo and Sparta. Serena

POLITICS IN THE ACADEMY. The contest of the students of Glasgow for the selection of a lord director answered every requirement, and will of St. Andrew's, is producing the liveliest kind of a political fight. Mr. longing to Mr. G. Gott started to run Joseph Chamberlain and Mr. Augustin Have you seen our Felt Walking away, but were checked before any Birrell (Liberal member of Parliament for the west division of Fife, and au-Miss Neva Wells, of Jura, is visiting there of "Obiter Dicta," "Charlotte Bronte," "Res Judicatae," etc.) are the candidates, and Mr. Chamberlain has Williams, were married on Wednesday been hotly attacked as a candidate at the Baptist parsonage by Rev. Mr. claims, literary or academic, hitherto we are selling good Millinery Mrs. J. Swan, of Port Huron, is visitfor ing at the Queen's this week.

SARA ANGRY.

The Paris bickerings over the Czar the I. O. G. T. lodge on Monday was a great success, notwithstanding the has left a nasty quarrel among the stormy evening, and we look forward members of the French stage. Some music halls on Wednesday last. The to more such gatherings in the near of the societaires of the Comedie Fran-future.

Vigilant Society opposed the grant-ing of a license to the Palace Music Mr. Herman Atkin, who has been in lected. Sara Bernhardt is furious because Mme. Rejane was specially signalled out for imperial applause, and she drove home before she could be summoned, declaring she had a bad companied by his younger brother attack of nervousness. All the trouble is ascribed to the influence of certain actresses with the Ministers. London, is visiting her uncle, M. Dunlop, this week.

THEOSOPHISTS' CRUSADE. The band of eight American theoby G. J. Brown on the cash system at the A. D. McDonald stand. Mr. Brown sophists who started out to make a crusade extending over the world are just finishing the continent, and will by the theosophists of this city, the nual fall convention here on Wednes-Americans have met with remarkable day afternoon. In the evening an open success. The society in Europe has temperance entertainment was given. never been as strong as in America, Mr. Hutchinson, of Nilestown, district and in many of the large cities no orselect councilor, occupied the chair in ganization existed among the few a very acceptable manner. A good protheosophists who existed there. The the Quorn Hunt. gramme of speeches, recitations and crusaders report that they have not visited a single city without making Cairo, has been sold to a hotel syndiand Mr. Yeo, of London, delivered enough converts to organize a branch, cate having a number of hotels in the and that where branches already existed the membership has been doubled. The largest quantity of champagne rousing temperance addresses which will do much to revive the temperance and trebled. At Paris enough persons ever auctioned off here was sold on were "brought into the fold" to enable Wednesday last. It consisted of 2,000 of Christ Church, London, will deliver his lecture entitled, "Success, and How to Make the Best of Life," on Monday lecture is said to be highly entertaining and instructive and no doubt a tinguished journalists of that city. At was 35s per dozen. The apple packers have struck this Amsterdam several large meetings Sheeh House, formerly the residence were held, and the local branches of the late Comte De Paris, has been vicinity. Two gangs representing Mc-Pherson and Shuttleworth, of London, are doing up Mr. Robinson's and Mr. swelled by the initiation of a throng of rented by what promises to be the Vanderlinder's orchards. The buyers new members. Mrs. Tingley, the leadrefuse to buy any more apples at any

er of the crusaders, is reported by her house and grounds are both magnififriends to be A SECOND BLAVATSKY, and it is said that there is no end barrels in the ochard if the farmer to the remarkable things constantly occurring. She is credited with knowing all about every town in advance, without ever having been there, and of being able to prophesy how many Granton, Oct. 16 .- Prof. J. Arlington converts will be made at each stop, and of being able even to describe their personal appearance. The fol-Cook, of Oshawa, is delivering a course of lectures in Harmony Hall lowing is an incident of the tour: At Berlin, Dr. Franz Hartmann, on phrenology and physiognomy. He lectured Thursday night to a good noted German philosopher and mystic, went to the train to meet the Americans, but did not succeed in finding them. He searched every hotel, and at the end of five hours gave up and ineation of character from subjects went to a railway station, intending to return to his mountain home at A deputation from the Canadian Or-Hallein, Austria, from which place der of Foresters went to Bryanston he had specially come. At about this to attend the funeral of the late Dr. time Mrs. Tingley was in her room alt one of the hotels, engaged in writing, and surrounded by the other members of the party. She suddenly dropped her pen and told Claude Falls Wright to go to a particular tended the funeral of their father, the Messrs. McLeod and Bedy, of the St. Marys Argus and Journal respectively, were in town on Tuesday, somebody. Mr. Wright obeyed her attending the fair. Mr. Eedy without question, and arrived there is an old schoolmate and friend, and just in time to prevent Dr. Hartmann's departure. How they knew each other as such we will always be happy to is not stated. The doctor himself veri-Our Granton Agricultural Exhibi- fies this story in a letter, and has tion was not as great a success either in point of exhibits or attendance as Mrs. Tingley. He was made president the directors would have wished. A of the German Federation of Branches lethargy in the management of the and Mr. Reuss was made vice-presifair must be overcome, or it is doomed to dissolution. Let our townspeople go in heart and hand in conjunction

A CLERICAL CONVERT. Rev. W. Williams, a well known chaplain in the British army, and an accomplished linguist, had a singular experience in Liverpool. He has since expressed a desire to become a member of the party, and will join them in Egypt, and accompany them for the rest of the tour.

LOOKING FOR STONES IN HOL-LAND. The theosophists in Holland were very anxious that their country should be represented by a stone in the corner stone of the Occult Col-

Fifty Years Ago. This is the way it was bound to look When grandfather had his "picter took." These were the shadows cast before The coming of Conjurer Daguerre And his art; like a girl in a pinafore Some day to bloom to a goddess fair. . Men certainly were not as black, we know As they pictured them, 50 years ago.

~~~~ Aver's Sarsaparilla

began to make new men, just as the new pictures of men began to be made. Thousands of people fronted the camera with skins made clean from blotch and blemish, because they had purified the blood with Ayer's Sarsaparilla. It is as powerful now as then. Its record proves it. Others imitate the remedy; they can't imitate the record:

50 Years of Cures.

of stones from various countries, to be fluted piecemeal, and it is necessary that the component parts be of a certain shape and hardness. To find a stone of any kind in Holland is like finding a four-leaved clover, but veyance, and drove some ten miles out of Amsterdam straight to a spot where a single stone was found. It shortly be shipped to America.
On the whole the crusaders have no in Europe. They have succeeded in arousing a considerable interest in theosophy, and are frequently the guests of robility. Among others who have entertained them are Charles Johnston, the flamous orientalist, and Countess Di Brazza, Lady Petersen Sophia Von Bochlau, the well known writer of German romance.

"VIGILANTS" REBUFFED. The licenses committee of the London County Council considered the Hall, on the ground that some of the "living pictures" were immoral. But the committee granted the house a full Harley Davidson, who immediately on license, and expressed regret at the fact that the Vigilants had made the suggestion referred to, which committee considered to be utterly unfounded. This is the first time the Pallace has been granted a full li-cense, and was a distinct rebuff for the Vigilants. The Vigilants also brought forward several witnesses against the Empire Theater, declaring it to be a promenade resort for loose women. The Empire produced connext be heard from at the pyramids trary evidence, and the committee dein ancient Egypt, where they will ex-plore. According to reports received day (Thursday) the question of the day (Thursday) the question of the Alhambra's license came before the committee, and, although opposed by the Vigilants, it was granted.
