BASEBALL

SHEERE VS. SHEERE.

"Grandpa" Sheere got into harness once more on Saturday afternoon, and, backed by Lohman's braves, trounced the Knox baseball nine. But the victory had to be earned. The Knox team played good ball, and the professionalists were put on their mettle. With regard to the twirling, it was a sort of family dispute. The popular secretary of the Londons had as his rival in the box his brother, H. Sheere, and the latter, with due deference to an elder brother, struck out only two batters, while Bert had twice as many scalps to his credit. A pretty double was made by Gibson and C. McLaren. Hemphill was in left garden, and pulled down a couple of flies in good shape. Score:

THE LONDONERS' HART IS O. K.
At St. Paul dispatch says of yesterday's game with Buffalo that St. Paul's victory in eleven innings today was due to Hart, the West Superior young man brought here a few days ago to replace Glenavlin, who had his left elbow thrown out of joint. The Saints trailed the Bisons all the way from the first to the ninth inning. In the ninth Houtz got a life on Cockman's fumble. Isbell made a single and Lally a triple, and then Hart tied the score with a good single to left. In the tenth Knoll made a hit, but was not advanced. St. Paul went out, one, two, three. Dillon opened the eleventh with a safe line drive to left, and McCord went to first on Shugart's fumble. Dillon going to third, whence he scored on Hall's fly to center. Geier hit safely in the last half, took second on a passed ball, stole third, and got home on Diggs' bad throw to catch him. Isbell struck out and Lally to first on Hall's fumble. Vaughn's hit put Lally on third, and he scored on Hart's drive over the second bag.

WHEEL.
Today's races at Tecumseh Park promise to be one of the finest programmes ever put on in this city. The entry list includes Moore, Austin, Barnes, Higley, Schell, Stratton, Williams, Schulte, Gibbons, Tume, McQuillan, Ingram, Mahler, Duncan, Edwards, Radway and many others. The great high wheel contest promises to be the race of the day. Londoners have not had the opportunity of witnessing a high wheel competition for nearly ten years, and never before with high wheel tandem racing. Secretary McCormick has gone to considerable expense in securing the best of the high wheelers, which was constructed expressly to pace today's race. The tandem will be ridden by Messrs. Burns and Ferguson, of St. Thomas, and will be followed by such notable old-timers as S. J. Schulte, Sam Gibbons, C. McQuillan, Frank Radway and "Nap" Tume. Any citizen who misses seeing this race will regret it.

DOWNY DID THE MILE IN 1:37.
Montreal, Aug. 20.—James Downey, the Montreal wheelman, lowered the record for the one-mile wheel race on Saturday. He rode the distance, paced by a motor cycle, in 1 minute and 37 seconds, beating the world's record of 1:39 and the Canadian record of 1:44. Downey's time for the half-mile was 47½ seconds, and for the quarter-mile 24½ seconds.

THE DUNLOP TROPHY.
Toronto, Aug. 19.—Today the Royal Canadians won the Dunlop trophy over a 20-mile course for the second time, and it now becomes their property. This is the second trophy that the club has won in this way. The race was perfect, being warm and clear, but both the road and track were in bad condition, and no fast time could be made. John E. Shortt, of the Royal Canadians, was the first man to finish, he doing the distance in 1 hour and 43 seconds. The 20 men started, but only 14 finished, and out of the 14 5 were Royal Canadians. The other events were well contested. Attendance, 3,000.

A. SHERRETT, "CHAMPION."
[Special to The Advertiser per G.N.W.]
Hamilton, Aug. 19.—The Times trophy bicycle race drew a very large crowd to the Hamilton Jockey Club track today, and was a big success financially. In the team road race, fifteen miles, the Hamilton Crescents had the largest number of points, but a protest has been entered on account of alleged cheating by Burns, of the Crescents. The Hamblers were second, and the Hamilton B. C. third.

In the invitation handicap, 11-16 miles, W. H. Childs (25 yards) won; R. Smith (100 yards), 2; Joseph Thack (75 yards), 3; Besant, 4.
In the amateur, open, one-half mile, J. P. Morgan won; W. Barnes, 2; A. Sherrett, Brantford, 3. Time, 1:03½.

The ten miles amateur race for the championship of Canada was won by A. Sherrett, of Brantford. W. Barnes, Hamilton, 2; A. Murray, Hamilton, 3. Time, 25:15. R. Axton, of Brantford, was fourth.

In the two miles, local handicap, C. P. Sharp (100 yards) won; J. H. Eagle, Brantford, 2; Joseph Thack (300 yards), 3. Time, 5:15.

LAOCHROSE.
Toronto, Aug. 19.—The Tecumseh Elms wound up the Eastern District C. L. A. senior series, by defeating the Dufferins of Orangeville before about 1,000 spectators. Elms land oval this afternoon. Score, 6 to 2.

LEADERS DEFEAT CORNWALL.
Montreal, Aug. 19.—The Shamrocks defeated the Cornwalls today, spoiling the latter's chances of winning the senior lacrosse league pennant. Score, 10 to 2.

MOBBED THE REFEREE.
Bright, Ont., Aug. 20.—An exciting lacrosse match was played in Paris Saturday afternoon, which terminated in a very unsatisfactory manner. A mob began to gather around the referee, pelting him with dirt, sticks and stones in large quantities. He had to do some stout running to avoid being injured. The mob followed closely, and he had to take refuge in the residence of Capt. Cox, or doubtless he would have been seriously injured.

WORKING NIGHT AND DAY.
The busiest and mightiest little thing that ever was made is Dr. King's New Life Pills. Every pill is a sugar-coated globe of health, that changes weakness into strength, listlessness into energy, brain-ting into vigor. They're wonderful in building up the health. Only 25 cents per box. For sale by W. T. Strong & Co.

Hon. A. Henderson, attorney-general of British Columbia, will probably be re-elected by acclamation, all the opponents so far named having declined the contest.

No one need fear cholera or any summer complaint if they have a bottle of Dr. J. D. Kellogg's Dysentery Cordial ready for use. It corrects all looseness of the bowels promptly, and causes a healthy and natural action. This is a medicine adapted to young and old, rich and poor, and is rapidly becoming the most popular medicine for cholera, dysentery, etc., in the market.

Dr. Rinfert, M. P. for Lotbiniere, has been appointed inspector of inland fisheries at Quebec, replacing Sir James Lemoine. Dr. Rinfert has represented Lotbiniere since 1877.

WANDERERS WIN.
Toronto, Aug. 20.—The visiting Chicago cricketers played a spirited one-inning match with the Parkdale cricket club on a good crease at the exhibition grounds on Saturday afternoon, and beat them by a score of 152 to 137.

THE AUSTRALIANS' TURN.
Cheltenham, England, Aug. 19.—In the cricket game between a Gloucestershire eleven and the visiting Australians, which began here Thursday, the home

players, in their second inning today, were all out for 300 runs. In their first inning on Thursday the Gloucestershire men were all out for 223 runs. The Australians, in their first inning yesterday, were all out for 223 runs.

REFORMS WANTED.
London, Aug. 20.—The recent test cricket matches between England and Australia were played in such fine weather that they gave the bowlers no chance for high scores, and resulted in drawn games. Agitation has begun for some reform of the cricket regulations, each allowing four days for important matches, or for some system of handicapping, with the view of bringing the attack and defense more on a level.

Ontario Box Factory and One Million Feet of Lumber Destroyed.

[Special to The Advertiser per G.N.W.]
Hamilton, Ont., Aug. 20.—One of the most destructive fires known in this city for some time broke out about 3:30 this morning, when the Ontario Box company's factory was completely destroyed, and fully a million feet of lumber burned. The loss is about \$40,000. It was the good work of the fire department that saved the large furniture manufacturing establishment of J. Hoodless & Son, right in the rear of the factory.
The cause of the fire is unknown.

Radway's Ready Relief

A Pain Remedy.
For over fifty years this wonderful remedy has proved itself the best, safest and surest antidote for pain in the world.

The True Relief,
Radway's Ready Relief

For Internal and External Use.
In using medicines to stop pain, we should avoid such as inflict injury on the system. Opium, Morphine, Chloroform, Ether, Cocaine and Chloral stop pain by destroying the sense of perception, the patient losing the power of feeling. This is a most destructive practice; it makes the symptoms, shut up, and, instead of removing trouble, breaks down the stomach, liver and bowels, and if continued for a length of time, kills the nerves and produces local or general paralysis.

There is no necessity for using these uncertain agents when a positive remedy like RADWAY'S READY RELIEF will stop the most excruciating pain quicker, without entailing the least danger in either infant or adult. It instantly stops the most excruciating pains, always inflammation and cures constipation, whether of the Lungs, Stomach, Bowels or other glands or mucous membranes.

NO MATTER HOW violent or excruciating the pain, the Rheumatic, Headache, Indigestion, Crippled, Nervous, Neuralgia or prostrated with disease may suffer.

Radway's Ready Relief
Will Afford Instant Ease.
A CURE FOR

Summer Complaints,
Dysentery, Diarrhoea,
Cholera Morbus.

A half to a teaspoonful of Ready Relief in a half tumbler of water, repeated as often as the discharges continue, and a flannel saturated with Ready Relief placed over the stomach and bowels will afford immediate relief and soon effect a cure.

No bad after effects (which are invariably the result of doing with opium) will follow the use of Radway
