Chatham, May 31.—Pete Lohman's braves gathered in another scalp in the mud today, the Reds again being the victims. The Cockneys won out because they batted McIlvaine freely and bunched their hits. Both teams played a fairly snappy game in the field, considering the heavy condition of the ground. In the second inning Ziegler, the Reds' shortstop, was severely hurt in sliding to second, and a physician was summoned and the injured player was taken from the grounds. Outfielder Reid took his place, and Pitchers Wagner and Hagerman shared the fielding work. In the seventh inning Lohman was caught stealing second, and raised such a vociferous kick that Dalry put him out of the game, accompanying the expulsion with a \$5 assessment. The score:

amateur record for the ten-mile paced

won by fully half a length in 11:26½.

on Tuesday at Toronto, when the first
of the new defenders of the Canada
cup to be launched slid from the ways
into the water. The new boat is owned
by the J. Wilton Morse syndicate, and
is the only vessel of center-board type
in the two contending fleets for the cup.
Her spars are of Oregon pine, and her
sails are of English manufacture. She
will be ready to start in the coming
sailing condition in plenty of time for

HIS NARROW ESCAPE.

Mr. John N. Babcock's Experience With
Dodd's Kidney Pills.

Sharbot Lake, Ont., May 29.—No resi-
dent of this place is better known to the
thousands of tourists and sports-
men who visit us annually, than is Mr.
John N. Babcock.

Mr. Babcock has had many thrilling
experiences, but the narrowest escape
he has had is in the case of his kidneys.

"After twenty years of pain, caused
by Gravel and other Kidney Com-
plaints, I am pleased to be able to state
that I have been completely cured by
Dodd's Kidney Pills. During these
years I have spent hundreds of dollars
for doctors and remedies, but only
Dodd's Kidney Pills helped me."

LIFE SAVED—Mr. James Bryson
Cameron writes: "I was confined to my
bed with inflammation of the lungs
and was given up by physicians. A
neighbor advised me to try Dr.
Thomas' Electric Oil, stating that
his wife had used it for a throat
trouble with the best results. Acting
on this advice I procured the medicine,
and less than half a bottle cured me.
I certainly believe it saved my life. It
was with reluctance that I consented
to a trial, as I was reduced to such a
state that I doubted the power of any
remedy to do me good."

reserves for a bright manhood, there is
no such word as fail.—Bulwer.
