REMEMBERS HIS YOUTH

Judge Says Prolonged Kissing Need Not Disturb Neighbors.

New York, June 19.—John Duffy, a clerk, 24 years old, was taken to the Yorkville police court today on a charge of disturbing the neighborhood in which his sweetheart lives by prolonging his good night kissing too late on Saturday night.

"He was hugging her and kissing her right out on the stoop and the neighbors had their heads out of the windows and were shouting for them to break away. But they wouldn't do it. That was on Lexington avenue, near Thirtieth street," Policeman Flynn said to Magistrate Finn.

"Who was the young woman who was hugging and kissing Duffy?" the magistrate asked.

"I keep company with her, your honor."

"They were disturbing the neighborhood and I had to arrest him so the people could go to sleep," went on the cop.

"The people weren't obliged to put their heads out of the window and look at the kissing, were they?" queried the court.

"I suppose not."

"You are a young man, officer. Didn't you ever kiss your sweetheart when you were leaving her at the door? If you didn't, your girl would shake you and I wouldn't blame her. If that was a crime I'd have been in jail many a time when I was a young fellow."

"I told Duffy he had a clearly legal right to kiss his sweetheart as often as she would permit it, and do it in public, too, if he wanted to and didn't break the peace doing it."

SYNOD WILL HAVE TO THRASH IT OUT

Question of Change in Management of Funds Sent on by Executive.

The executive committee of the Synod of Huron met yesterday afternoon and dealt with many matters that are to be presented to the synod, which opens today.

The most important question was that of a change in the management of the synod funds, the special committee reporting through Rev. Canon Brown that it found it impossible under the present system to reduce the expenses of management. The whole matter was referred to the synod.

The report of the mission committee was adopted. It recommended no action on the proposed reduction at Warrington; that the rural dean report on the matters in connection with Lucknow and St. Helens; that Mount Brydges be reattached to Delaware, and that Melbourne and the Muncie churches form no action be taken on the proposed reorganization of Glenworth, Dorchester and Hyde Park parishes; that Eastwood's assessment remain unchanged, and that \$100, in addition to the usual grant, be paid the missionary at Walpole.

The synod assessment committee recommended that the basis of synod assessment be one per cent on incomes of less than \$1,000, and one and a half per cent on incomes above \$1,000. Carried.

The land and investment committee reported all investments satisfactory. It also expressed regret at the retirement of Mr. J. H. A. Beattie from the secretary-treasurership of the synod.

An allowance of \$50 was made to the rector of Milbank to remunerate him for the loss sustained by the closing of Cross Hill.

Archdeacon Young, diocesan agent, reported on the places visited by him. Increased incomes from some parishes were shown. A list of the self-supporting parishes during the past ten months was also given.

Rev. McCauly Holmes, who has been seriously ill for some time, was superannuated with an allowance of \$800 a year to date from the beginning of his illness.

Milbank and Aylmer were given permission to sell lots and apply the proceeds to cemetery funds.

Wingham, Sandwich and Windsor were allowed to raise funds on rectory property.

Mrs. Kilty, widow of the late Rev. G. M. Kilty, was placed on the widows' and orphans' fund.

ORGANIZED AGAIN?

Rumored That Street Railway Employees Have Secured Old Charter.

It is understood that the local street railway employees are now organized, and that they have secured the old local charter, No. 97, of the Amalgamated Order of Street Railway Employees of America.

It is said further that there are many employees of the road who have refused to join the union.

ORGANIZED A UNION

Younger Clergy of Huron Diocese to Meet Annually.

A union composed of the junior clergy of the Diocese of Huron was formed yesterday afternoon, the object of the organization being to meet annually on the day preceding the synod and to discuss questions that confront the younger clergymen in their parish work.

Rev. T. B. Howard, rector of Dutton, occupied the chair, and among those who submitted papers were Rev. J. F. Routhwaite, M. A., Brantford, on "The Clergyman's Relation to and Duty Towards Parochial, Diocesan and Missionary Finances"; Rev. A. J. Murray, M. A., on "Sermon Preparation and Delivery," and Rev. T. Standish Boyle, M. A., of Wingham, on "Pastoral Visiting." In his paper on "Sermon Preparation and Delivery," Mr. Murray strongly advocated preaching without notes or manuscript.

The organization of the union was effected. The members felt that the meetings will be a great source of help to them.

PURSE FOR SECRETARY

Presbyterian Council Recognizes Good Work of Rev. James Rollins.

The London Presbyterian Council held its closing meeting last night in connection with the General Assembly. Dr. F. W. Merchant, the president, was in the chair.

Rev. James Rollins, the secretary, upon whom the burden of the work of arranging for the recent General Assembly fell most heavily, was presented with a purse containing \$50. He was also tendered a special vote of thanks.

A special vote of thanks was also tendered to Mr. C. W. Allen, convener of the billing committee, for the excellent work done by him.

A hearty vote of thanks was extended to the local newspapers for their admirable reports of the assembly, and the hospitality of their columns.

The reports of the various departments were presented, and it is expected that there will be a surplus when all accounts are paid.

From the visitors to the assembly, nothing but words of praise were heard for the splendid arrangements made by the council. It was the general opinion also that the meeting of the assembly would do much to still further promote the kindly feeling already existing between the Christian bodies.

The council adjourned to meet in October at the call of the executive.

REACHED CAMP IN A DOWNPOUR

Soldiers Got a Drenching as They Marched In—Lively Camp Promised.

With their band playing "The Maple Leaf Forever," and amid a downpour of rain that drenched every man to the skin, the last battalion marched onto Carling's Heights about 6 o'clock last night, and the second militia camp was thus made complete. By the time darkness had fallen on the camp, all the tents had been driven, and practically everything was in order and ready for the commencement of operations at the sound of the bugle and the firing of the gun this morning.

For some reason this, the second camp, has already taken on a far more military appearance than the other camp did at any stage. It may be the long line of field guns, which are drawn up on the south side of the tents, that cause this improvement. If the guns do not improve the appearance of the camp, they will certainly form an interesting feature along the line of military maneuvers.

Each camp brings with it a great many new men, and amid the throng are found a great many who have been here camp after camp, and whose faces become familiar to Londoners. The last camp was composed almost entirely of new men, and for this reason lacked much of the cheery, bright spirit which the experienced campers add to life under canvas.

If the last camp lacked the experienced men, this camp has an abundance of them. At every turn one sees a familiar face, which recalls pleasant memories of many a good old camp on the heights. Among the veteran campers who have come back this year is one whom Londoners will welcome—Pte. J. McKenzie, of Teeswater, who is in camp with the Eleventh Battalion from Guelph. For years past McKenzie has been the chief entertainer at the grounds. His powers as a comedian, who can either sing, dance, make a speech or imitate, have never failed to draw around him, as he stood on the packing-case or an old table in the open field, crowds of eager listeners, who would have delighted a patent medicine vendor.

Many of the men could not find the time, during the hustle and bustle of preparing for camp, to get the necessary shave and hair-cut, and consequently many of the men had beards and long hair.

The feature of the evening was the address given by Rev. R. S. W. Howard, B. A., of Christ Church, on Law's "Serious Call to a Devout and Holy Life." Mr. Howard gave a sketch of the career of Law, noting very carefully his life from the time when he was degraded by the church for his Jacobite utterances, until he published the book that made him famous for all time.

Mr. Howard's address was scholarly and inspiring and was thoroughly enjoyed by all present.

The book was also discussed by Rev. F. G. Newton, Parkhill; Rev. A. H. Rhodes, Holmesville, and Frank Metcalfe, Blythe.

The following officers were elected for next year: Chairman of first meeting, Rural Dean Myers, Kincardine; chairman second meeting, Rural Dean Ardill, Owen Sound; secretary, Rev. T. G. A. Wright, Walkerton; committee, Revs. H. S. Boyle, Wingham; J. F. Routhwaite, Brantford; A. G. Murray, Winnipeg; C. A. Heavon, Mr. Irwin and Arthur Carlisle, London; B. J. Perkins, J. W. Andrew, and Messrs. Frank Metcalfe, Blyth, and R. McElheran, London.

SEVERE LOSS TO CHURCH

Colborne Street Board Regrets Death of Mr. Thomas McCormick.

At the last meeting of the trustee board of the Colborne Street Methodist Church the following resolution was moved by Mr. J. A. Dickinson, and seconded by Mr. Alex. Burness:

"That this trustee board of Colborne Street Methodist Church place on record our great regard and Christian affection for our highly-esteemed friend and much-loved brother, the late Thomas McCormick. His demise is a great loss to London and its various benevolent and charitable institutions, but especially so to the First and other Methodist churches of this city. He was intensely interested in and closely allied with them all."

"We recall with profound gratitude the generous assistance he gave this church as one of its trustees for the day of its inception to the day of his death, and the liberal donations, he so cheerfully made in the years of its necessity. We are thankful that he lived to see such splendid returns for the investment of himself and those associated with him in the remarkable growth to self-support and prosperity of one of the churches that lay so near his heart. The kindness and beneficence of his beautiful Christian life will never be forgotten."

"We tender our deepest sympathy to the bereaved family and earnestly pray that the God of their father may be their portion and comfort all the way through life till we all meet in the land that is fairer than any."

(Signed, on behalf of the board, "W. D. BUCKLE, Secretary."
"GEO. DANIEL, Chairman.")

STRUCK BY A CAR

Alex. Milne, of West London, Sustains Slight Injuries.

Alex. Milne, who lives in West London, was struck by a West London car at the corner of Dundas and Babot streets, about 11:30 last night. He was slightly injured.

Milne was talking to the clerk in the London House, when he saw the car approaching, and he made a dash for the building in front of it and signaling it to stop. The rails being slippery, the car skidded along, striking Milne and knocking him down. He was taken to Victoria Hospital in the ambulance, but he was able to leave the institution in a short time, as it was found he was not seriously injured. He was badly cut about the head and face, however. A young man who was with Milne was also knocked down by the car, but he escaped injury.

A SCHOLARLY ADDRESS

The Rev. R. S. W. Howard on Law's Celebrated Work.

A very enthusiastic meeting was held last night in Convocation Hall, Huron College, at which a large number of clergymen attending the synod were present. Rev. Rural Dean Taylor, of St. Mary's, presided.

The feature of the evening was the address given by Rev. R. S. W. Howard, B. A., of Christ Church, on Law's "Serious Call to a Devout and Holy Life." Mr. Howard gave a sketch of the career of Law, noting very carefully his life from the time when he was degraded by the church for his Jacobite utterances, until he published the book that made him famous for all time.

Mr. Howard's address was scholarly and inspiring and was thoroughly enjoyed by all present.

IN GREAT DEMAND

Immigrants Being Picked Up in Large Numbers by the Factories.

Toronto, June 18. — Between eight and nine hundred immigrants have arrived during the last forty-eight hours at the Union station, and Agent Tait has had his hands full distributing the men. The department is anxious that farmers should have the first chance, and the new arrivals are carefully informed of all applications from the country.

But of late the factories have been sending agents to Toronto to engage men, offering from \$1.75 to \$2 a day for ordinary laborers, and consequently farmers find it difficult to get help.

Today agents from a Brantford factory were offering 20 cents an hour, fifty hours a week, guaranteed for six months. Against this farmers with \$25 a month had no show.

A farmer growing desperate offered \$27, but was refused.

If the demand continues as at present farmers will be compelled to pay \$30 a month to secure the required labor.
