A BIG UPSET AT COLUMBUS RACES

Caused by Doris B.'s Defeat of Bolivar, After Latter's Good Work Wednesday.

Columbus, Ohio, Sept. 20.-Two races were decided and two more almost completed this afternoon at the Grand Circuit racing. The cuppy track made the going very tiresome for pacers. Ten thousand persons attended.

Bolivar's defeat in the 2:07 Board of Trade stake caused a big upset. In the mud Wednesday Doris B. had one heat, but the gelding paced the first half of today's opening mile in 1:011/2, and finished lengths ahead of Bolivar gave out in the home stretch. Bell Bird, favorite in the 2:45 trot, succeeded in prolonging the race by by half a length after the latter had easily won the first two. Bell Bird won the fourth mile, and the race had to go over until Friday for decision.

Miss Gay was picked to win the 2:17 pace, and landed the first heat, going into the 2:10 class to keep clear of Moore. Rushville, a well-played entry, Eleven good-looking 3-year-olds came out for the Kentucky Stock Farm Futurity trot, and Gov. Francis sold a 10 to 7 favorite over the field. A break soon after the start of the first heat ruined his chances in the opening mile. Ed Custer, with J. B. Chandler up, won the first heat with the next five colts close up. The Abbe, a full brother of The Abbott, outgamed the Custer colt at the finish of the second mile and won by half a length. The deciding heat will be raced Friday.

SILER SUES NOLAN

Chicago, Sept. 20. - George Siler, the referee in the recent fight between Joe Gans and Battling Nelson, today filed suit in the superior court against Wm. Nolan, the manager of Nelson, and Nelson himself. Siler claims damages to the amount of \$50,000. Since the fight both Nolan and Nelson have repeatedly been quoted as saying that Siler received money for giving a decision in favor of Gans, and that his conduct as a referee was dishonest. They have also been quoted as saying that Siler never saw the foul blow on the strength of which he awarded the fight to Gans. All of these statements Siler declares to be untrue, and claims damages for their utterance by Nelson and
