

NORTH BAY LABORERS SELECT CONDUCTOR AS WIN-WAR CANDIDATE

North Bay, Nov. 2.—At the convention of the North Bay Labor Union, held here last night, Charles Harrison of this town was the unanimous choice of the gathering. All members of the union spoke. Mr. Harrison has been a resident of this town for many years. He is a Canadian Pacific conductor, has strongly identified himself with the labor movement, and is at present chairman of the Order of Railroad Conductors.

PALPITATION OF THE HEART AND NERVE TROUBLES WERE CURED BY Milburn's Heart and Nerve Pills

When the heart begins to beat irregularly or intermittently, palpitate and throb, skip beats, beat fast for a time, then slow as to seem almost to stop, it causes great anxiety and alarm, and the least excitement or exertion seems to affect it.

Many people are kept in a state of morbid fear of death, become weak and nervous through this unnatural action of the heart.

To all sufferers from heart troubles we would advise the use of Milburn's Heart and Nerve Pills, which by their action in strengthening the heart and regulating the beat, remove all the distressing conditions and impart vigor and vitality to the system.

Mrs. Thomas Davidson, Mount Brydges, Ont., writes: "I have been a great sufferer in the past with nerve troubles and palpitation of the heart. I tried several remedies, but without any good results. My son came in one day and advised me to take Milburn's Heart and Nerve Pills. After using one and a half boxes, I am fully recovered, and am in a perfect state of health, thanks to your valuable medicine."

BIG LONDON DAILIES GENERALLY IN FAVOR OF GEDDES' REPORTS ON ADMIRALTY WORK

Accept Statement As To Baltic and Convoy Incidents— Daily Mail Critical.

LONDON, Nov. 2.—The maiden effort of Sir Eric Geddes, the first lord of the admiralty, in the House of Commons yesterday is not received wholly favorably by the newspapers in their editorial comment. He is praised for his frank and businesslike statement, which drew cheers from the commonsense, and it is admitted that he said much which is satisfactory and reassuring. Appreciation is expressed particularly of the new distribution of affairs of the admiralty tending towards the decentralization, and also the introduction of younger men. This, it is contended, ought to be justified by results, although the Times points out that success will depend on the choice of men.

Daily Mail Critical.

The Daily Mail, which has been opposed to the present policies of the admiralty, says the speech on the whole dealt fairly and straightforwardly with criticisms, but it complains that when all is said the fact remains that the Germans are forcing the fighting at sea.

The bulk of the comment accepts and endorses Sir Eric's explanation that the British fleet did not try to enter the Baltic, and also his statement on the convoy incident. Criticism is directed chiefly against the conduct of the submarine war and ship construction.

Varied Press Views.

The Times regards his statement concerning submarine warfare as candid and encouraging, and says that his report of construction is reasonably satisfactory. On the other hand, the Daily Telegraph, the Daily News, the Daily Chronicle and the Daily Ex-

Some of the speakers who followed the first lord in the House of Commons frankly disagreed with him. George Lambert, former civil lord of the admiralty, declared the navy was not being used to the best advantage, and he knew distinguished strategists who agreed with him.

Richard Holt and Robert P. Houston, prominent shipbuilders, claiming personal knowledge of the submarine losses, charged Sir Eric's figures concerning the sinking of merchant shipping. Mr. Houston figured that the Allies and neutrals have lost eight million tons during the war. Mr. Holt refused to accept the first lord's figures, and said that the admiralty's policy of concealment was sapping the country's confidence in the Government.

What are Canada's Victory Bonds?

CANADA'S Victory Bonds are the solemn promise of the Dominion of Canada to the holders that Canada will repay, at the time stipulated in the bonds, their full face value in money, and will pay interest at the rate stated in the bonds, every six months.

As a financial investment Canada's Victory Bonds are in the first rank of the world's investments because:

- the security of the principal and interest is certain as anything human can be, being nothing less than the entire assets of Canada, the pledged honor of the people of Canada and all the assets of all the people of Canada.
- they are the most "liquid" form of investment; they can be promptly turned into cash at any time.
- they bear interest which, if saved and compounded, at ordinary bank interest rates would double the amount of the original investment in about fourteen years.

They are also free from Dominion taxation, present or future.

FOR the investment of estate funds, trust funds, sinking funds and all other funds which by law or other necessity must be invested in unquestioned securities, Canada's Victory Bonds are the premier investment.

Executors, trustees, municipalities and public service corporations and all others with trust or sinking funds to invest, can render to Canada valuable patriotic service by investing their funds in Canada's Victory Bonds.

AND because of the high rate of interest they bear, coupled with their supreme security, there is every reason to expect that Canada's Victory Bonds will increase in value, when peace is declared.

The English Rothschilds laid the foundation of the fortune of that branch of the family by buying British war bonds before the battle of Waterloo, thereby making huge profits from the increase in value which followed the declaration of peace.

BUT Canada's Victory Bonds are much more than merely a sound money investment; they are Canada's renewed pledge to fight the war to a finish, till victory is with the Allies and lasting peace is secured to the world.

Every one of Canada's Victory Bonds bought by you is a new assurance to every Canadian soldier that Canada stands behind him ready to send him food and munitions, and to care for those he has left in Canada.

Canada's Victory Bonds guarantee that Canada will keep on producing the food, the munitions and machines to bring victory to the Canadian soldiers in France, and that Canada will keep the home-fires burning for their loved ones while they are fighting for our freedom.

SO when you buy Canada's Victory Bonds you help Canada finance the war, —you help to maintain the production of food, munitions and supplies which our soldiers must have, —and the money paid for those products helps to maintain business and industrial conditions by which the productive efficiency of Canada can be kept at high pressure.

Your investment in Canada's Victory Bonds will be a link in the complete chain of helping our soldiers, helping the country and thereby also helping yourself.

Investment in Canada's Victory Bonds is Sound Business Patriotism

Issued by Canada's Victory Loan Committee
in co-operation with the Minister of Finance

GOLDSTREAM MEETING HAS BEEN POSTPONED

COLDSTREAM, Nov. 1.—The meeting of the Liberals of Lobo, called for November 2, has been postponed indefinitely owing to some of the speakers being unable to be present.

BOXES FOR SOLDIERS.

WABASH, Nov. 1.—The semi-monthly meeting of the Thorndell Red Cross Society was held at the home of Mrs. Matthew Dunlop, and the following articles were packed and shipped to Hyman Hall: Ten sheets, 39 pillow-slips, 45 towels, 24 pairs of socks and 2 washcloths. The next meeting will be held at the home of Mrs. David Early.

The ladies of Wabash Institute met at the home of Miss Ellen Lloyd and packed a number of Christmas boxes for the boys who are now in France.

ELECT OFFICERS.

FOREST, Nov. 1.—At a general meeting of the Forest Conservative Union Government Association, the following officers were elected: President, Howard Fraleigh; vice-president, R. G. Bailey; secretary-treasurer, Campbell.

ACCEPTS NOMINATION.

WOOLSTOCK, Nov. 1.—L. E. Bowman, secretary of the local branch of the Great War Veterans' Association, tonight received a cable from Lieut. Col. Sutherland, accepting the nomination tendered him last Sunday by the veterans' executive as a parliamentary candidate in the Dominion election in North Oxford. The veterans declare that, although the local Conservative executive has endorsed the nomination of Sutherland's candidature, the latter will run purely and simply as a returned soldier's candidate, and that the Great War Veterans in nominating him have in no sense aligned themselves with the Conservative or any other party.

DR. DANARD CHOSEN.

OWEN SOUND, Nov. 1.—At an enthusiastic gathering of the Liberals this afternoon Dr. Danard of Owen Sound was nominated as candidate. He accepted and delivered a fine address, in which he discussed the big issues before the electors.

COMMITTEE NAMED.

KITCHENER, Nov. 1.—The two political parties are one step closer to union tonight than before. The Conservative executive met by agreement this afternoon and appointed the following committee of five—S. E. Bricker, E. H. Scully, S. H. Williams, D. Hunter, H. L. Janzen—to meet the Liberal committee, with a view of selecting a candidate who will be suitable to both parties and whose name can be submitted to the electors in a straight Union Government candidature.

GOING TO REMAIN.

WINDSOR, Nov. 1.—William C. Kennedy will be the Conservative candidate for South Essex if the Conservative executive agrees to accept him. If not he will contest the nomination of North Essex in the Liberal interests. This was made plain at a conference of committees representing both parties held here tonight.

At the outset newspapermen were informed they were unwelcome at the meeting for the reason, it was stated, that objection was being made by the Tory representatives. At the conclusion of the conference, the Conservatives who attended stated there was "nothing to give out" but from members of the Liberal committee it was learned that the committee were practically deadlocked, and a compromise seemed wholly out of the question.

Strenuous objection from the Government side was made to the candidacy of Mr. Kennedy, and one member of the committee advised the substitution of some other name, but to this plan the Liberals declared their united front, declaring their loyalty to Mr. Kennedy. When it was seen there was no apparent likelihood of an agreement the meeting adjourned.

After briefly outlining the reasons for summoning the meeting, he called on T. Scott Davidson, M.P.P., who gave an outline of the efforts the Liberals had made to arrange a conference with the Conservatives, with a view of choosing a "win-both" candidate for the coming election. Their efforts came to naught, the Conservatives seemingly being determined to run a candidate of their own.

John Inkster of Paris, and Wm. Webber of South Dufferin, then moved that John Harold, a recently resigned Liberal nomination which he received two years ago in order to support a union government, be chosen as their candidate for a "union and win-the-war" government to run on the motion being put to the meeting, it was received with the greatest enthusiasm.

Dr. Danard, the nomination of Mr. Harold was given an ovation such as has not been given in Paris, and it was some minutes before the cheering ceased. He thanked the meeting for the honor they had conferred on him, and with a united effort said there should be no cause for doubt as to the final result.

J. J. Hurley of Brantford gave a fine address, after which cheers were given for the King and three for the coming member for Brant.
