HAMILTON, Oct. 3.—There was an extra large attendance at the Hamilton race-track Saturday afternoon, over one thousand coming up from Toronto by two special trains. The day was just about perfect and the track at its best, as was evidenced by the time made by J. H. Madigan's two-year-old colt, Simcoe, when he won the opening race, a 6 furlongs dash in 1:12 3-5, handily. The racing was decidedly keen and interesting. The feature event of the day, the Autumn Handicap, had but three starters—Lally, Red Gauntlet and W. H. Carey. The three put up a grand contest, keeping in a bunch through the one and one-quarter miles. Red Gauntlet finished in front with Carey second, but Red Gauntlet crossed in front of Carey when the latter was coming up on the outside at the sixteenth pole. Red Gauntlet was disqualified, but the best horse could do was to finish second a head in front of the outsider, Manheimer. Aimee C. won the race after receiving a perfect ride from Garner and in doing so the water-colo filly negotiated the 6 furlongs in 1:12 3-5. The talent went down good and hard in this race, as the favorite, Red Gauntlet, was well played even at the short price of 7 to 10.

Twelve ordinary performers faced Starter Dade in the sixth event, another 6 furlongs dash, with Burtchell's four-year-old gelding an even money favorite. He made good by a small margin over Tartar Maid, who had it on Form and by half a length for second. The last race of the day was at 11-18 miles on the turf course, and went to Miss Cateby.
