Getting Runners Together. Getting Runners Together.

A number of telegrams were sent out yesterday between New York Yankees and Toronto to make up the teams for the big relay team race at the island stadium on next Thursday night. After Aff. Shrubb made a trip to Hamilton and Sol Mintz refusing to let Longboat team up with him, another team mate had to be secured for Shrubb, and several telegrams were sent out, and it looks now turned on Meadows and Wood.

grams were sent out, and it looks now as the Shrubb will team up with the fast ex-amateur champion, Charles Muller of New York. And with Shrubb and Muller teamed up the tables may be turned on Meadows and Wood. This Muller must be a good one, as Ernie Hestberg wanted him to team up with John Svanberg to run any team in Canada. If Shrubb gets as fast a partner as he showed himself last race, look out for new record marks, and probably a change of winning team. Tom Eck received a telegram yesterday from Jimmy Lee of Yonkers, N.Y., stating he and Al Raines of New York would be on hand for the race Thursday night, and will probably reach Toronto Saturday to finish up training for the event. This is

ish up training for the event. This is another fast team and it will require some good guessing to pick a winner.

Wickets in Six Balls. NEW YORK, June 23.—W. Bonnar of the Crescent Athletic Club, playing for All New York in the cricket match against the University of Pennsylvania at Bay Ridge, captured five wickets in six balls, four of them in succession. His bowling was easily the feature of the game, which, notwithstanding his feat, was won by the visitors by a margin of 52 runs. The complexion of the game changed several times during the day, each side making a fine start, but finishing poorly. The score:

## LACROSSE NEWS AND GOSSIP Doings of Players and Clubs Here and There.

There will be two games for one admission at the island on Saturday. At 1.50 Brampton will couple up with the Tecumeshs in a junior C.L.A. fixture, while at 3.30 the Tecumeshs and Cornwalt are billed to play a. N.L.U. game. Both should be good fast exhibitions of the national game. The Brampton juniors are touted as the team to beat for the junior championship, while Manager Hazza has gathered together a team of stars, to represent the Tecumeshs. For the big game both teams are ready to go the limit. The Indians have been working hard in the sun all week and present the appearance of veterans. Reports from Cornwall corroborate everything that has been seld of Alf. Smith as a coach. He has done wonders already with the material at hand, and may occasion a big surprise at the island.

Big John White, the old favorite, will be with the Cornwall Colts at the island on Saturday, but on this occasion, John will figure on the defence, where he seems to have struck his element.

Secretary Fred Thompson of the Torontos was going to Vancouver. He was aware that Vancouver had made strong aware that Vancouver had made strong aware that Vancouver had made strong offers to both Powers and Art. Warwick, but both have decided to stay hete and finish the season with the Torontos.

Charile Querrie, like Newsy Lalonde of the Nationals, is limping around these days with his bad leg, and therefore will be unable to play to-morrow at the island against Cornwell.

The Norway lacrosse team will practice to-night at Duggan's field, on Wood bine-avenue.

The Nationals yesterday wired Secretary Fred Thompson of the Torontos to fire Torontos to fire the condition of the torong the condition of the Indian and the Condition of the Indian and the Indian and the Indian and the Indian and Indian

You can't get away from the fact that the Tecumseh field has some speed in McKenzie, Ions, Felker and Rowntree. Cornwall will find this out to-morrow when the two teams meet at the island.

The plan for the National-Toronto game at Scarboro Beach on the holiday will open at 189 Yonge-street Monday morning. Already many enquiries have been received for tickets for this game from Orangeville, Oshawa and Beaverton.

The reserve seat plan for the Tecum-seh-Cornwall game at the island to-mor-row, which opened yesterday at Shea's, had a good sale. The plan will remain on sale at Shea's till 12 o'clock to-mor-

Torontos leave to-night for Montreal, where they play Shamrocks to-morrow. The team will be the same that played Montreal, with the exception that Fitzgerald will take his usual place on the home, in place of Anderson.

Bouse Hutton, the Capital goalkeeper, is suffering from an injured eye, and will be unable to play for some time. His place will be taken by Percy LeSuer, the hockey goalkeeper.

During the lacrosse game at the island

When those National rooters get busy on the holiday at Scarboro Beach against Torontos, you will sure think you are in Peasoupville.

A Preston despatch says: Preston Springs intends playing junior lacrosse this season. There are a number of boys who cannot be used on either intermediate or juvenile teams and management of the juveniles are going to put a good team in the junior series as well. If a district can be joined it will be done, and if not Preston will take a bye. The management claim this team will make a good bid for the championship.

A Galt wire says: Preston's juvenile lacrosse team is badly crippled, and cannot play the scheduled game against Hespeler Saturday.

The Victoria Boys' Club of Euclidavenue would like more boys for their lacrosse practices each afternoon. If you can play lacrosse and don't belong to this club you will be welcome to come to their practice. Any boy between the ages of 12 and 15 can become a member by applying to Douglas Donaldson, 422 Euclid-avenue, or phone College 4718.

Irish Games. At the new Irish Club games at Scarboro Beach last evening there was hurling, sprinting and sparring. Results:

BUFFALO, June 23.—Horses are already beginning to arrive at Fort Erie, in anticipation of the summer meeting, to open a week from next Saturday, and local horsemen declare that the prospect is for an abundant supply of the best horses which have ever been in training on the Canadian circuit.

There appears to be no reason why the Fort Erie meeting should not shine as the best on the circuit, and the Niagara Racing Association is burnishing up its pretty little plant in anticipation of such results. Edward Maginn, racing secretary of the meeting, will arrive in Buffalo next Monday from Latonia, and in the meantime, the Ellicott Square offices of the local association are busy places.
