A short time ago PHOTO-BRAND was an unknown name in the cigar world.

Now who does not know that PHOTO-BRAND means all that is best in cigar making and cigar value?

Just smoke a PHOTO-BRAND and see if you ever got so much value in a 10 cent cigar! That's all.

There IS a difference in the wrapper.

This is the only cigar made in Canada in which the Connecticut Broad Leaf Wrapper is used, and it blends perfectly with the Pure Havana Filler.

At least half the secret of the samppy freshness of MAGI Water lies in its bottling. It is bottled only at the Spring—is NEVER shipped in bulk—and from the instant it gushes forth from below bed-rock until you open the bottle on your own table, not even the air and much less anything else, ever touches it. Even on its journey from bed-rock to bottle, it flows only through glass, silver and nickel pipes.

Every bottle is washed starilized with

Remember's MAGI Water is THE Cale-donia Water that comes from BELOW bed-rock—from a spring that is piped right down to the rock itself, MAGI is the ORIGINAL Caledonia water,—comes

To-day's Entries

Australian Golf Team Coming.

NEW YORK. June 6.—International golf of a nature hitherto unknown in this country, unless the visit of the Oxford-Cambridge team in 1993, be excepted, is practically a certainty for next season. This time the invading forces will represent Australia, and they will be headed by Dr. F. G. Brathwaite, the American vice-consul, who will act in the capacity of manager. In addition to the golfres, there will be at least two lawn tennis players in the party.

There has been considerable correspondence between the two countries, and a

Lawn Tennis Play

Becomes More Tense

ALEXANDRA As Finals Approach COOL AND COMFORTABLE The PERCY HASWELL HEROWN WAY

AMUSEMENTS

In the city championships at Rushelme, with the finals in the men's singles scheduled for Saturday afternoon, play becomes more and more tense, and excitement is running high. To-day the large number of spectators present were treated to splendid exhibitions of tennis. In every event in the men's opens with one exception three sets were necessary to decide the match. Jellett of Montreal won a hard fought match with McMaster of Toronto, and now meets Henderson of Toronto. This contest should prove to be the best match of the series. In the same event Laird and Langstaff played an exciting game with the result always in doubt till the very last, Laird finally winning out by the score of 7-5, 5-7, 6-4.

To-day Laird meets Baird (the holder of the title). Mr. Baird, instead of defending the title, has played thruout the tournament, a move that has considepably incerased the interest in the event. Baird's same yesterday with Parton was of the snapplest variety, characterized by the best of good humor thruout, and thoroly enjoyed by all present. Parton's playing was much admired, especially his short half volleying near the net.

The semi-finals in the ladies open singles will be played to-day. Miss Summerhayes plays Miss Fairbairn, and Miss Moyes meets Mrs. Cooper. The winners of these two events will contest for the title on Saturday afternoon. The present holder, Mrs. Hannam, is at the moment in England, and consequently there Evenings and Saturday Matinee, lower floor (reserved), 50c; balconies, 25c.
