MAIL POUCH STOLEN
CONTAINING LARGE SUM

Chicago, Aug. 20.—A mail pouch, believed to contain money and valuable worth \$100,000, was stolen by two men today from a suburban station of the Illinois Central Railroad. The robbers escaped in an automobile. The money was to be used tomorrow to cash cheques of the Pullman Company and the Sherwin-Williams factory. The \$100,000 was all in bills of one, five, ten, and twenty dollar denominations. Police reports say that when the bag was temporarily in charge of Leo Wilgus, a 13-year-old boy, was taken from him by an elderly man wearing brown glasses, who leaped into a waiting automobile piloted by a young man, and disappeared in the direction of Chicago.

ASK CANADIAN AID FOR EUROPE'S SICK

Red Cross Will Direct Big Appeal During Armistice Week.

Ottawa, Aug. 20.—Dr. James Robert, son, chairman of the executive committee of the Canadian Red Cross Society, today had a conference with his excellency the governor-general regarding steps which might be taken in Canada on behalf of an appeal for the imperial war relief fund to combat disease and distress in the war-stricken areas of Europe and Asia. It was decided to arrange for an appeal to be made in Canada during armistice week, Armistice Day being Nov. 11.

To Help Sick and Distressed
Dr. Robertson states that the Right Hon. Arthur J. Balfour on a recent occasion said that in his judgment actual famine had assumed such dimensions as to be beyond the capacity of private charity; but governments have now rendered assistance in supplying food and it becomes the duty of the British Empire thru the action of its private citizens to concentrate upon the menace from the problem of disease and its attendant ills.

The imperial aspect of the appeal is presented in the following statement to the constituent peoples of our great empire, commonwealth:

A Peace-Time Service
"We pulled together as one man during the war, and it felt great then to be a British citizen. Together we accomplished what no one of our number, even the most powerful, could have accomplished alone, and it still lies within our power to press forward in this service for humanity as a single united people greatly prevailing in peace as in war."

NEW GAS PLANT SOLVES PROBLEM IN KITCHENER

Kitchener, Ont., Aug. 20.—(Special).—Kitchener's gas problems have been solved as a result of the putting into operation here today of the new gas plant. The new plant is known as a carburetor water gas plant. It will double the capacity of the present organization here, and give the much-needed pressure for domestic and industrial purposes. Owing to the fact that certain farmers in the vicinity are insisting upon exorbitant prices for their land in connection with its purchase by the city for a cemetery site, considerable delay is being caused to the cemetery committee of the city council. Aid. Screeter intimates that a purchase will be made as soon as some reasonable price can be hit upon. It is hinted that some of the farmers are asking city prices for their land.

HARD COAL COMMISSION HAS REACHED DECISION

Washington, Aug. 20.—The Anthracite Coal Commission, appointed by President Wilson to settle demands for increased wages made by miners in the Pennsylvania anthracite region, today reached a decision on most of the points at issue between operators and miners. Its report will be placed in President Wilson's hands next week. It was announced tonight and made public when approved. Anthracite miners, following the award of an increased wage scale to bituminous miners by a presidential commission, asked for proportionate increases in their pay schedules. Both operators and representatives of the miners agreed to place the subject in the hands of a similar commission. Hearings at Scranton, Pa., were held to take the evidence on which a decision has now been reached.

PLOT IN SWITZERLAND AGAINST LLOYD GEORGE?

Lucerne, Switzerland, Aug. 20.—The Swiss police have taken measures to protect the British premier, David Lloyd George, declaring they have discovered a plot against his life. The police claim to have the plotters under supervision in Geneva. Mr. Lloyd George and his party remained indoors thru the day, but a member of the party stated that this was in no way due to the alleged plot, but because of the inclement weather.

TURKISH NATIONALISTS CONCENTRATE AT ERZERUM

Athens, Aug. 20.—Mustapha Kemal Pasha, Turkish Nationalist leader, is reported to be concentrating in the vicinity of Erzerum forces made up of Tartars and Turks, with a sprinkling of Bolsheviks from Baku. The reports describe him as determined to keep up attacks on Greek outposts.

PREDICT HEAVY SNOW IN NORTH COUNTRY

South Porcupine, Aug. 20.—Next winter will be featured by heavy snowfalls in the north country, according to a plot against his life, reporting here. They base their deduction on the fact that wasps and hornets' nests are so plentiful in the woods this year that they are something of a menace, and they declare that the presence in numbers of these insects is an unfailing sign of much snow.

AVIATORS ARE KILLED RETURNING TO HANGAR

San Antonio, Texas, Aug. 20.—Second Lieutenant Irving C. Stenson and Cadet Everett H. Bunn were killed today when their airplane fell in a corn field a few miles from the city, as they were returning to their hangar at Kelly Field. The cause of the accident has not been determined.

Fed Live Chicken to a Snake, But Magistrate Let Him Off

Winnipeg, Man., Aug. 20.—It is not cruelty to animal to feed a live chicken to a snake. Sir Hugh John McDonald made this ruling in the police court today when the humane society prosecuted a snake charmer who fed a chicken to a 250-pound boa constrictor.

COUNTY AND SUBURBS

LINE UP AGAINST TELEPHONE BOOST

Business Men to Be Well Represented at City Hall Protest Meeting.

Danforth and Riverdale business men are lining up for action against the Bell Telephone Company and will be strongly represented at the protest meeting in the city hall on Wednesday next.

Sam Shaperlo was badly scalded about the body with boiling water at McLeod Brothers and Company's works yesterday afternoon. After receiving first aid he was rushed to St. Michael's Hospital in L. W. Trull's private ambulance.

St. Margaret's Camp No. 2. Daughters of Scotland, held an enjoyable concert and social in Player's Hall, Danforth avenue, last night. The following artists contributed: Miss Fletcher, Miss Carnegie, Miss McConachie, Miss Kennedy, Mrs. Reddick, J. McConachie and D. Adamson. Pipers Graham and Ross played Scottish selections. Refreshments were served and Mrs. J. West, president, occupied the chair. There was a large attendance. The winter's work will be outlined at the September meeting.

St. Cuthbert's Anglican fourth annual flower, fruit and vegetable show will be held this afternoon on the church grounds, Leaside. A feature will be the baby show, for which there are many entries. Rosalands and Mount Dennis' joint hands will be in attendance. W. G. Wrench is chairman, and Rev. J. M. Lamb, rector.

At the Toronto Horticultural Society's show, held in the Oddfellows' Temple, College street last night, it was announced that C. Honeyman, 42 Harcourt avenue, was the winner of Sir Edmund Osler's silver cup for the best backyard garden, open to Toronto. This is the third cup Mr. Honeyman has won during the past four years. He also won the \$100 prize five years ago. A number of Rotary club members paid an unexpected visit to his garden yesterday afternoon. The gardens were judged a fortnight ago. Geo. Baldwin, F.R.H.S., and Frank Roden being the judges. C. Morgan, 26 Dinglewall avenue, secured the first prize for the best kept lawn in connection with the same society.

The complaint regarding dry wells is not universal in the eastern section of York township. Altho Woodbine Heights is suffering, the neighboring section of Danforth Park has a plentiful supply.

A good program of sports and games is promised for today's Danforth Park and Eastdale Ratepayers' Association joint picnic, which will be held in Lower Park, Carletonville and Westlake avenues.

Noted Families Gather In Historical Home

At the beautiful old home of Miss Hood Milliken, a most unusual gathering took place when representatives of eight of the pioneer families of Markham and Scarboro were gathered there, viz: Hoods, Gibsons, Mackies, Rennies, Marshes, Frenches, Pingles and Youngs. Such families as these did much in the pioneer days to make these two townships stand well to the front in York county. Miss Hood's home, nestled amid old trees and well trimmed hedges and lawns, has had many happy and delightful gatherings, but rarely one so unique as this.

SCHOOL SITE DIFFICULTIES.

School site difficulties in West York in S. S. No. 28, have been very illusive. Silverthorne School, when completed was not built upon the site chosen by the ratepayers. In the Mount Dennis section three sites have been offered for a new school, and a number of stormy meetings still leaves the location unsettled.

NORMAL MODEL SCHOOL REOPENING

The Toronto Normal Model School will reopen Tuesday morning, September 7, at 9 o'clock. Parents desirous of enrolling their children are requested to bring them to the school at the time. Children of four or five years of age will be admitted to the Kindergarten free of charge. M. A. SORSELIH, B.A., Head Master.

BYRON STAUFFER'S MESSAGE

Some of my friends have, with me, caught the gleam of an opportunity for service among the Young People of the Down Town in an undenominational way. For this purpose we have organized The City Temple, which will have its Sunday home at the Allen Theatre, Richmond and Victoria Streets. Harvey Robb will be our instrumentalist, the singing will be led by The City Temple Men's Quartette, directed by Ruthven McDonald.

We hope to make definite announcement shortly as to the opening of The City Temple offices. All our friends will receive a cordial welcome. The opening service will be held at 7 p.m. Sunday evening, September 5. I will preach on the subject: "Save Man." We hope to make this service helpful and interesting.

DECISION TO BUILD PORTABLE SCHOOL

Accommodation is Required for Children at Beginning of the Term.

A meeting of ratepayers of S.S. No. 29, comprising the districts of Runnymede, Scarlett Plains and Harwood, in West York, reaffirmed a motion passed on May 21 in George Syme School, Scarlett Plains, that a portable school be built upon the site selected in the Harwood district. The vote was 84 to 32. The meeting was one of heated discussion, in which the trustees, altho entangled at times in violent debate, were held without blame, many taking part who admitted they had not been present at former meetings. The former decision specified two rooms, but last night it was decided three were needed. The matter has been a neighborhood conflagration since June 18, when a meeting was passed at King George School, Runnymede, for the purchase of a site for \$13,100, and the erection of a four-roomed permanent school, by a vote of 41 against 12.

This meeting was illegal, it was claimed, because the chairman, J. W. Feltham, was not a landowner, and also because the works, "two-roomed portable school," were substituted in the minutes for "a school," and so read in the motion. It was also claimed that the number of children in the district was given as 175, whereas actual count last week, allowing for some to reach school age by the fall, is 141. It was claimed also that legal notice of more than 21 days was not sent to the proper authorities, reporting the ratepayers' decision. Secretary J. Reynolds of the school board admitted that he had not sent the notices, maintaining that it had been the duty of the secretary of the meeting. Many of the Harwood pupils have been in attendance at George Syme School, about two miles away, with railways to cross. The George Syme School itself has an average of 45 in each room, including the basement, and some classes have half-day periods only. The action of last night's meeting was accentuated by the fact that an application had been made to the York Township Council for an appeal to the Ontario Railway Board to authorize a grant to proceed immediately with the building in order to accommodate children at the beginning of the term.

S. Clouston was chairman of the meeting and C. Bennett, secretary.

EARLSCOURT GIVES SILVER CUP FOR COMMUNITY PICNIC

The Belmont Theatre, West St. Clair avenue, has changed hands, J. A. McCulloch, owner of the Royal George Theatre, having taken over the premises and is now running both houses.

The members of the Earls Court branch of Sons of England are having their annual picnic to High Park today. Special cars will take the members.
