Tho the electors on Jan. 2 voted \$12,-00 for a roof to cover the butchers n the Central Market, the members of the proposition. They have engaged an architect, who says that the north end of the market hall can be fitted up for \$1000, so that the butchers may use it for the sale of their meat. The board appointed a committee this evening to wait upon the markets committee to ask that the board's plan be carried out. For another \$1000 a cold storage plant in the hall can be bought for the use of the butchers.

The grand jury made its presentment to-day. The jurors said they had visited the jail, and they found fault because two deaf and dumb men, guilty of no crime, were confined in the institution, At the City Hospital the jurors found the isolation building altogether too small, and that the medical tendance looked after the fever as well as the general cases. In fact, the jurors said that the isolation building alicity Hospital.

Any Rheumatic Sufferer may have a full dollar's worth of my remedy free

I searched the whole earth for a specific for Rheumatism—something that 1 or any physician could feel safe in prescribing—something that we could count on not only occasionally, but ALWAYS. For the rases of rheumatism are everywhere and genuine relief is rare.

After twenty years of search and experiment, I learned of the chemical I now empty low. And I knew then that my search ploy. And I knew then that my search and my efforts were well rewarded, for this chemical gave me the basis of a remedy while in the cure of Rheumatism is practically certain.

Eventualities. London, Jan. 10.-The active prepar for a possible war this year are fully confirmed by a private letter received in London from a minister accredited to the Balkan courts. This minister, who has just completed a tour of the Balkan capitals, writes that the Turkish and Pulgarian governments are energetically preparing for eventualities. Large shipments of arms and ammunition have been made and recruits from Asia Minor are arriving at Salonica weekly for service in the Turkish army. The Bulgarian and Greek bands in Macedonia are increasing daily and are fighting each other and the Turks. This
