UNION-PACIFIC-RAILWAY

COMPANY'S MAPS will show that their FOUR Railway Trunk Lines between the Missouri River (where they connect with ALL Eastern Roads) and the Rocky Mountains, lead directly to every Mining Camp in COLORADO, WYOMING, UTAH, IDAHO and NEVADA; to CALIFORNIA, OREGON, WASHINGTON TERRITORY, and BRITISH COLUMBIA, and by the Utah, Northern and Oregon Short Lines, to the Montana Farming and Grazing Lands; the famed Wheat fields of Umitilla and Columbia River head waters—indeed, to Pastoral, Mining and Natural Scenes unequalled in the world.

Reliable printed information relative to any of the above States and Territories, or as to Route and Tickets thereto, will be furnished free on application to

J. W. MORSE.

General Passenger Agent, U. P. Railway, OMAHA.
