

The Secretary of the Woodstock Branch reports 32 members, with 30 in the Girls' Branch. They are still working for the Parish hall, and hope by a sale in July to realize funds sufficient to make it fit for use.

In the Parish of St. Mary's, York County, the members have been working to pay off the debt on the Church hall. As a result of their efforts they have been able to contribute \$125 for that purpose, \$80 for seats for the hall, and \$15.75 interest on the debt. There are now 21 members. In the Town of Marysville the members have been working for the building fund of the Church, and have been able to contribute the sum of \$207 towards it.

In the Mission of Ludlow and Blissfield there are four branches of the Association. The sum of \$28 has been given to defray Church expenses. At Lower Ludlow the members are working for the completion of the Mission room, and have given \$20 to pay what was due on the work. The windows, doors, and inside work have still to be provided for. At New Bandon \$30 have been deposited in the Savings Bank for a Sunday School in that settlement. The Doaktown branch was able to hand in a considerable sum for the new Church, and through the kind aid of friends the Church for which these poor people have laboured so long was at last consecrated on May 24th.

In Kingsclear the members are working for a fund to put a new roof on St. Peter's Church, and have also contributed one hundred dollars (\$100) to pay off the debt of the Parish.

In the Parish of Burton a carpet has been purchased for the chancel of St. John's Church, Oromocto, the cost of which was \$53.81. The Church has been supplied with new lamps, for which \$9.63 was paid, and the insurance on the Church has been renewed for three years.

A Branch of the Association was formed in St. Martins a year ago. The sum of \$138.94 has been realized by sales of needlework. Lamps have been provided for the Church, costing \$25.59; repairs made to Rectory, \$74.35; balance paid on Church seats, \$25; and interest on Church lands, \$9.

In the Parish of Waterford the "Guild of St. Anne" was affiliated with the Association within the year, with six working members. They have earned money by means of needlework, which has been applied as follows: For Clergyman's stipend, \$9; vessels for Holy Communion, \$6; sanctuary curtains, \$6.53; organ and music, \$9.02; total, \$30.55.

Mrs. Arnold, Vice-President of the St. John Girls' Branch, writes that in November, 1891, she remitted to the Bishop Coadjutor the sum of \$25, being part of the annual donation of \$50 for the maintenance of the work in Ludlow. This payment completed the term of five years, for which this donation had been promised. In April, 1892, the sum of \$20 was sent to the Bishop Coadjutor for Home Missions.
