MARATHONS WIN FROM PORTLANDS

To Tune of 6-0—Bankers Put Up Mighty Ball; N. B. Credit Balance 17, N. S. but 6.

A goodly number saw the Marathons take the Portland Y. M. A.'s into camp Saturday on the Victoria grounds to the tune of 6 to 0. The game throughout was a good one. Both teams played good ball. The marion and greys' ability to find Howard, however, gave them their victory. The following tell the story:

Summary: Victoria grounds, Saturday afternoon July 27—Marathons 6, Portland Y. M. A. 0. Score by innings: 1 0 0 0 0 0 0 0 0 0 0 0.

THE REAL GAME.

The Heavens flew as the two teams of bank clerks went on to the diamond on the Victoria grounds on Saturday, and a cold-hearted crowd in the grand stand laughed when the game, for it was a game, got under way.

After a conference, however, it was decided that 17 to 6 would be the official score, and this was announced to the fans who were delighted, as some foolish one had said that he had counted when the score stood in the vicinity of 16 to 78.

THE RIFLE

The St. John rifle men held their regular match on Saturday afternoon on the local range. The St. John City Rifle Club match was shot over the 500, 600 and 800 yard ranges. The attendance was large, but the rain during the afternoon made the very unpleasant and greatly bothered the marksmen, which accounts for the low scoring. The following were the prize winners and their scores:

TENNIS

Allison is president and W. T. Wood, Sackville, secretary. A considerable number from the different clubs at Fredericton, St. John, Rothesay, Hampton, Sackville and Andover have signed their intention of taking part in this tournament.

CHINOOK WINS DUNN-ROTHWELL CUP

The Chinook won the Dunn Rothwell Cup Saturday afternoon in the series of salmon boat races held by the Westfield Outing Association. Her time over the No. 2 course was one hour and five minutes. As was expected, the Mona came in a close second, being only two minutes and five seconds behind, with the Thistle finishing six minutes and thirty seconds later.

A great deal of interest was aroused over the race, and a large number of spectators had assembled all along the river to witness it. There was a westerly wind, and when the signal gun was fired at 5.30 ten boats had been lined up for the contest. The Glenwood was, however, too keen and crossed the line before the gun was discharged.

To the first buoy on the No. 2 course the boats were running free. From there to the second buoy it was a beat to windward, and from the second to the third buoy and thence to the wharf, the boats had a beam wind.

The Chinook, the winner of the cup, was designed by G. H. Dugan, of Sydney (N. S.), and built by Robert Brayley, of the Strait Shore. Naturally her crew, the Church Bros., are very proud of their craft and her racing qualities, which enabled her to capture the trophy offered by Messrs. Dunn and Rothwell and compete for so many of the finest salmon boats on the river.

HOT WEATHER CAUSES AN EXODUS FROM WASHINGTON

Spread of the Vacation Habit Makes American Capitol Look Like a "Deserted Village."—President and All His Ministers Are Out of Town.

(From our Regular Correspondent.) WASHINGTON, D. C., July 28.—The spread of the vacation habit and the growing psychological necessity which every American seems to be experiencing as an government business in the capital makes a transformed city of Washington in summer and suggests the thought that summer arrangements for the administration like that in India, would be a better solution of the problem of how to run the government in the hot season and enjoy the life at the same time. In India the capital is transferred in toto to the mountains and the machinery of the government is administered from there.

The reports of the activity of Secretary Cortelyou in political work to bring himself forward as a candidate for the presidency are evidently the work of his enemies, or at best of his "fool friends." Mr. Cortelyou has risen from a clerkship and he has done it by such ability, hard work and good sense that no one familiar with his career would believe it possible that he is now, as has been reported, a candidate for the presidency.

There is nothing Machiavellian about Mr. Cortelyou. The methods by which he has risen from a stenographer, at less than a thousand a year, to a position where men like Edkins and Overstreet can seriously consider him for the presidency, have nothing esoteric in them. He began with a large fund of common sense, a marked ability for hard work and little talk and great capacity for development. These taken in connection with a fine appearance, good manners and perhaps luck, did the rest. He has succeeded wherever he has been placed by standing steadily to the work in hand. High places have not made his hand too tight and personal ambition, fashionable and factory have not been sufficient to interfere with his work. It is incompatible with what the public knows of his character that he should be neglecting the day's work to pull political wires, and more especially to do it in such a stupid, bungling way that he would be sure to strangle his career in the attempt.

There is nothing in Washington and howling in the rain with the fashionable of the younger set in Walling. The three personal aids to the president and a dozen or so young officers who grace every social function with their dazzling presence, are to be ordered away to distant army posts to waste their charms on the desert air of the frontier. Among these "sons of distinguished fathers" are Capt. Fitzhugh Lee, who is an especial favorite with the president for his fine horsemanship, Lieut. Grant, son of General Fred Grant, and Lieut. MacArthur, all of whom will be based for a season or two, in the mountains of the Pacific, and many a young officer who would gladly go to battle and death in his country's service, is almost sure to stay over an order to go to Yellowstone Park or other remote army posts during a special session at the capital.

SAD DEATH OF MONCTON BOY

Edward Williams Dove to a Watery Grave in Humphrey's Pond. Moncton, N. B., July 28.—With the remark to his companions "Watch me dive," Edward Williams, aged fifteen, of this city, went to his death in the mill pond at Humphrey's Mill yesterday afternoon. Young Williams with some companions had been swimming in the pond during the afternoon and were on their way home to Moncton when they met more boys en route to the pond to swim. Williams and his chums were persuaded to return and Williams was the first to get in. He went out on some logs and while his companions stood on shore he called to them to watch him dive. With this remark he plunged into about eight feet of water. When he resurfaced it was at once seen he was beyond his depth and in distress. Being unable to swim, he went down again and the second time he came to the surface his struggles were very feeble. The third time he went down he was never seen again. None of the boys were able to swim but Williams' brother climbed out on the logs and made every effort to aid his drowning brother. It was with difficulty that he was pulled ashore by his young companions. The alarm was given and men who to the scene were able in a short time to bring Edward Williams' lifeless body to the surface. Deceased was one of a family of four. Their mother is a washerwoman living in Pearl street and the father is working near Campbellton. The deceased had been employed in the Dominion Textile Company's mill here but was having a half holiday Saturday. Humphrey's pond has been the spot for quite a number of boys swimming and playing on logs and this is the third or fourth drowning there within the last few years.

THE HAPPY HALF HOUR

At the Happy Half Hour the bill for the first three days of this week is an exceptionally good one. How Bridget's Lover Escaped, and a Disturbed Dinner, are both comic, and it is safe to say that nothing but laughter will reign while they are being shown. A Wild Boar Hunt is a wonderful piece of animated photography, and shows the start from the castle, a wild boar family in the forest, the unleashing of the dogs, the chase, the "kill" and the presentation of the "honour."

Looseness of The Bowels.

It is very seldom during the summer months that most people are not troubled with "looseness of the bowels." Sometimes it only goes that far, but generally it develops into Diarrhoea, Dysentery or Summer Complaint and has a tendency to weaken the whole system.

When the bowels get loosened up in this way and you wish to check the unnatural discharge without bringing on constipation, there is only one remedy to use, and that one is Dr. FOWLER'S EXTRACT OF WILD STRAWBERRY. This remedy is not an experiment as it has been used in thousands of families during the past sixty-two years.

When you ask for Dr. Fowler's Extract you get it, as many unprincipled druggists will try to palm off a cheap substitute on you.
