REPAIRING BRIDGE OVER LITTLE RIVER

New Structure Delayed by
Objection of Marsh
Land Adjoining

SALISBURY, May 24.—The bridge across the Little River at Five Points, a mile south of Salisbury Village, is receiving temporary repairs just now. The old structure is in pretty bad shape. A new bridge was to have been erected this summer but there appears to be some hitch about it.

LAND OWNERS OBJECT.
On the southern end of the bridge there is a long approach over a marsh from the hill to the river and it appears that the owners of the land object to having this approach built in with solid materials which would practically be a dam. In dry weather this would not matter but when the stream is in freshet the marsh is flooded several feet under water and it is contended that much trash and drift stuff would be distributed over the marsh. A new bridge is greatly needed as this bridge is one of the main thoroughfares between Westmorland and Albert counties and carries much traffic.

R. K. Y. Season At Millidgeville Opens

Yesterday marked the official opening of the 1926 yachting season of the Royal Kennebecasis Yacht Club and following a custom of the opening, an appetizing dinner was well served in the mess room of the clubhouse, to which about 80 members sat down. Owing to the cold and backward spring the fleet has not progressed in fitting out to the extent that is usually accomplished at this time of the year. However, the yard presents a very busy appearance and at the end of this week should show a very considerable portion of the fleet afloat. Several boats are being added to the fleet and prospects are indicative of the best season experienced by the club in many years.

YANKEES LEADING BY 7 FULL GAMES

Winning Streak Extended to
Thirteen Straight By Fast-
traveling Team

NEW YORK, May 25.—Seven full games, a long lead at any time of the year, now separate the New York Yankees from their nearest American League rivals, the Cleveland Indians, and the winning streak has been extended to 13 contests.

Perhaps the Yankees believe in unlucky numbers and perhaps not, but it is recorded that they need 18 more before they will tie the modern record established by the New York Giants a decade ago, and—the Giants failed to win the pennant that season. Yesterday's thirteenth victory was gained at the expense of the Boston Red Sox, 4 to 2.

Cleveland failed to hold the pace going down before George Sisler and his Browns, 8 to 6. Falk, Mostill and Barrett hit homers for the Chicago White Sox, and the men of Collins had little trouble beating the Detroit Tigers 10 to 4. The Mostill and Barrett efforts came with two men on the bases.

The Chicago Cubs bunched bingles to defeat Pittsburgh 8 to 1, Aldridge allowing all the runs and giving way to a pinch hitter in the seventh. Heathcote inserted a homer for the Cubs. Eleven runs in the last three innings gave the St. Louis Cardinals victory over the Reds, after the battle appeared to be lost. The Reds started the game with four and added two in the third but could not score thereafter. Lester Bell of the Cards, added a homer to his list.

BUCHAREST, Rumania, May 25.—The newspapers announce that Clarence Street, correspondent of the New York Times, has been ordered by the government to leave Rumania within twenty-four hours. The press announcement alleges that Street wrote for his newspaper a series of articles which were considered insulting to the crown and government. Mr. Street left last night for Vienna.
