

**OFFICERS GET
WAR DECORATIONS**

Several Receive Service Honors at Parade in Montreal.

Montreal, Nov. 5.—At a full parade of the Royal Montreal Regiment, with colors, brass and bugle bands, officers' long service decorations were presented to Lieut.-Col. Gault McCombe, D. S. O., who commanded the Royal Montreal during their war service in France, and to Major W. B. Clark, the present quartermaster of the battalion. The Long Service Medal was also presented to Lieut.-Col. C. Basil Price, D. S. O., D. C. M., who recently resigned from the command of the R. M. R. 1; to Major R. H. Hood, who commanded No. 1 Co. with the unit overseas, and to Major H. Armstrong, who is in command of No. 4 Co., and who served with the R. M. R. overseas. The presentations will be made by Brig. General W. O. H. Dodds, Hon. Colonel of the Royal Montreal Regiment. Most of the officers to be honored served with the Royal Montreal overseas, and several of them won their commissions for service on the field. Lieut.-Col. Price went overseas as a non-com and won honors in that capacity, later winning his commission for gallant service on the field, eventually becoming commanding officer of the regiment, with the decorations already mentioned. Major Hood and Major Armstrong are among the original members of the R. M. R., and both won their commissions and other honors for distinguished service at the front. Lieut.-Col. Gault McCombe was one of the original officers of the unit, and his record of gallant service and the honors that came with it have become part of the history of the regiment he commanded during the war.

"Watch the Children's Teeth first set and second set, too. The use of the toothbrush saves money"

—from the Canadian Government Department of Health Blue Book—Mother Series—Publication No. 6.

If Wisdom Teeth could talk, they'd say—"Use Colgate's."

Colgate's contains no dangerous grit. It washes and polishes—doesn't scratch or scour.

The Colgate habit is a health and beauty habit, easy to form and safe for a lifetime.

A child's teeth should be brushed three times a day. The dentist should be seen twice a year.

Beauty

A Gleamy Mass of Hair
35c "Danderine" does Wonders.
for Any Girl's Hair

Girl! Try this! When combing and dressing your hair, just moisten your hair brush with a little "Danderine" and brush it through your hair. The effect is startling! You can do your hair up immediately and it will appear twice as thick and heavy—a mass of gleamy hair, sparkling with life and possessing that incomparable softness, freshness and luxuriance. While beautifying the hair "Danderine" is also toning and stimulating each single hair to grow thick, long and strong. Hair stops falling out and dandruff disappears. Get a bottle of "Danderine" at any drug or toilet counter and just see how healthy and youthful your hair appears after this delightful, refreshing dressing.

KNOWING what work you expect of a brush, you are able to judge by examination whether or not it will do that work. The Pro-phy-lac-tic Pen-e-tra-tor is designed to brush through the hair clear to the scalp. Just examine this brush. See the stiff, springy, widely separated tufts of bristles and you will see how they will give your hair a thorough brushing. Sold always in the yellow box at any store where brushes are sold.

Build Up Their Little Bodies—Help Their Minds to Grow

GRAPE-NUTS MUFFINS
1/4 cup Grape-Nuts, 1 1/4 cups flour, 4 teaspoons baking powder, 2 tablespoons sugar, 1/2 teaspoon salt, 1 cup milk, 2 tablespoons shortening.
Sift flour, baking powder, sugar and salt into mixing bowl, add milk and melted shortening, and beat well. Have ready well-grassed muffin pans. Fill each 3/4 full with the batter. Bake about 20 minutes in a hot oven. This recipe makes ten to twelve muffins.

THE selection of food for the children should receive the most careful attention and thought. Their little bodies must grow. Their minds must expand. They must receive nourishment which will offset the fatigue of school and play—which will carry them onward to manhood and womanhood with robust bodies and keen, alert minds.

Grape-Nuts is an ideal food for children. Four teaspoonfuls or so with milk or cream each morning will give them the extra nourishment they need. Grape-Nuts is made by our own exclusive process from whole wheat and malted barley. It is double-baked so that the body can quickly and easily take up its abundant nourishment. Its crisp, crunchy granules make the child chew it, thus aiding the healthy development of teeth.

Give your children delicious, vitalizing, inexpensive Grape-Nuts. Ask your grocer for it.
