# Chase & Sanborn's CEYLON AND INDIA TEA is the result of fifty years of constant study to bring to the discriminating tea drinker the very best to be found in the tea gardens of the Far East.

In the flavor, aroma and golden liquor of Chase & Sanborn's Ceylon & India Black Tea can be read all the ceaseless care with which the plants have been tended and guarded against impairment and impurity. Sold in half and one pound packages, sealed against air

CHASE & SANBORN, Montreal, Que.

CORRECT and sufficient lighting is one of the greatest aids to the success of home entertaining. Good lighting will help to express your tastes in decorations—it will enhance the beauty of your furnishings—it will infuse a spirit of good cheer and enjoyment into your parties.

To accomplish these effects you should choose your electric lamps as carefully as you do your other party preparations. Plan now to have always LACO NITRO Lamps for your Bright Occasions. They are high powered, efficient lamps, producing the quality of light that most closely approximates sunlight. Inside the LACO NITRO Lamp bulb the filament burns in a specially prepared gas instead of in a vacuum, as in other lamps.

Not only does this produce a brighter and more efficient light, but it prevents bulb-blackening, so

LACO NITRO Electric Lamps are sold in 50-75. 100-150 watt sizes, convenient for household use.

### A Danger Signal— Tender and Bleeding Gums

Healthy teeth cannot live in diseased tissue. Gums tainted with Pyorrhea are dangerously diseased. For not only the teeth are affected, but Pyorrhea germs seep into the body, lower its vitality and cause many ills. Pyorrhea begins with tender and bleeding gums. Then the gums recede, the teeth decay, loosen and fall out, or must be extracted to rid the system of the poisonous germs that breed in pockets about them. Four out of five people over forty have this disease. But you need not have it. Visit your dentist often for tooth and gum inspection. And keep Pyorrhea away by using Forhan's For the Gums.

Forhan's For the Gums will prevent Pyorrhea—or check its progress—if used in time and used consistently. Ordinary dentifrices cannot do this. Forhan's keeps the gums hard and healthy, the teeth white and clean. If you have tender or bleeding gums, start using it today. If gum-shrinkage has already set in, use Forhan's according to directions, and consult a dentity immediately for special treatment.

35c and 60c tubes in Canada and U.S. If your druggist cannot supply you, send price to us direct and we will mail tube postpaid.

Checks Pyorrhea
