This Handsome House

on Alexandria Drive, Ottawa, is built with Bishopric Lath Board, inside, in place of lath and plaster. On the exterior, instead of sheathing boards, building paper and lathing, the economical, yet strong and efficient

BISHOPRIC STUCCO BOARD

is used effectively with brick veneer and stucco, shingles, clapboards, etc., could be used if preferred, nailed right onto the Stucco Board.

Made from kiln-dried lath, (dovetailed to hold the stucco firmly) set permanently in Asphalt-Mastic, on sized, Sulphite Fibre Board. Cannot shrink, warp or swell. Perfectly rigid through all weathers. Proof against dampness, wind, vermin and fire retarding. Comes in sheets 4 ft. by 4 to 10 ft.

Saves about 25% in labor-cost, 25% to 50% in material. A house similar to the above can be built with Bishopric Stucco Board at a cost equalling brick in 1914.

For the stucco see that this specification is followed by your plasterers. Mix with 10 parts of Portland Cement one part hydrated lime dry, and measure by volume. Add dry, clean sand in proportion, one part cement lime mixture to two parts sand. Turn until mixture is of uniform colour. Add necessary water to make stiff plaster. For first coat add one pound of good saw hair for each bag of Portland Cement used.

Write for samples, booklets and name of our nearest dealer.

RECENT WEDDINGS
Ferguson-Hart.
At Zion Methodist church yesterday afternoon, the pastor, Rev. F. E. Boothroyd, united in marriage William L. Ferguson, of Southport (P. E. I.), son of Mr. and Mrs. Frank E. Ferguson, and Miss Catherine Hart, daughter of Mr. and Mrs. Luther Hart, of Woodstock. Mr. and Mrs. Ferguson will make their home in Sydney.

Fogo-Godfr.
Thomas G. Fogo, of Dorchester, Mass., was married on Wednesday morning to Miss Gertrude Gould of Amherst, N. S., at the home of the officiating clergyman, Rev. D. Hutchinson, D. D., here.

RECENT DEATHS
William Otty Spence.
News has been received of the death of William Otty Spence, a native of this city, who passed away in Seattle on the 19th inst. He was seventy-five years of age, and spent over thirty years in Seattle, having been closely connected with the Shipwrights' Union there, and in the old days was a familiar figure around the old homestead on the Strait Shore. He leaves two sisters, the Misses Spence of 109 Chealey street. Wm. A. Spence and John H. McRobbie are cousins. The interment was at Seattle.

Clara E. Thompson.
The death of Clara E. Thompson, occurred Tuesday at the home of her father, Alfred Thompson, Rothesay, after a long illness. She was twenty-one years of age. She is survived by her parents, two brothers at Rothesay and one brother in Moncton, Operator G. Otty Thompson.

A. T. Stewart.
Norton, N. B., May 21.—The death of A. T. Stewart occurred suddenly at his home here this morning. Mr. Stewart conveyed the mail for a number of years from the Norton post office to and from the train. About two weeks ago he was taken ill.

Before moving to Norton a few years ago Mr. and Mrs. Stewart resided in Stewart, Kings county, where they kept a general store. Mr. Stewart was an elder in the Norton Presbyterian church and superintendent in the Sabbath school. Keen sympathy is felt for the bereaved wife.

Captain Stephen B. Atkinson.
Sackville, May 20.—Another of Sackville's old sea captains has had his last long voyage. Yesterday afternoon Captain Stephen B. Atkinson passed away at his residence here after an illness of only a week.

The late Captain Atkinson had seen much of this old globe. During the many years he spent at sea he had visited practically every important port in both hemispheres. Some years ago he was placed in charge of the Vanderbilt yacht and on this occasion he visited Europe. William K. Vanderbilt himself was on board at the time together with his wife and members of his family.

The deceased is survived by one son, Stanley, now with the American Y. M. C. A. overseas, and one daughter, Catharine, who has been teaching in the United States for some time, but was with her father when he passed away. The death of Mrs. Atkinson occurred a few weeks ago.

John Creighton, C. N. R. blacksmith, died on Monday evening in the Miramichi hospital, Newcastle. He stepped on a nail a week ago and blood poisoning set in. He leaves his wife, four small children, one brother and four sisters.

A CANADIAN GODS ACRE
One spot in England that will be forever Canada is the little cemetery in the Italian Garden at Glynden Court, Taplow, where lie the war heroes who died in the Canadian Hospital adjoining. In four years 24,000 patients passed through this hospital, provided by Major and Mrs. Astor in their own grounds.

Sir Robert Borden unveiled there a Canadian Red Cross memorial—a female figure representing Life, bearing the Biblical inscription beginning "But the souls of the righteous are in the hands of God."—London Chronicle.

Patrol of national United States forests by army airplanes to warn of forest fires will begin June 1 with two patrol routes from March field, near Riverside, Cal. On the same day observations covering a large part of the Angeles national forest will be started from a captive balloon at the Army Balloon School near Arcadia, Cal. Two airplanes will be used on each patrol route. Each route will be about 100 miles long and will be covered twice a day. Warnings of fire will be transmitted by parachute messages dropped over a town or by the aviators descending and communicating with the forest supervisor.
