Tobacco Gifts

The committee which has undertaken the work of sending tobacco and cigarettes to the Canadian soldiers now in Europe acknowledge the following donations: Joseph Allison, 4,900 cigarettes and 40 pounds of tobacco; from St. Stephen, collected by Miss Marjory Baskin and a donation of 3 pounds of tobacco by G. S. Enson; \$1 each from Hasen Dick and D. G. Peters; 600 cigarettes from the Masonic Club in Carleton. The

Was Troubled With Eczema.

Would Nearly Yell With Pain.

BURDOCK BLOOD BITTERS CURED HIM.

Mr. R. J. Swales, Harrison, Ont., writes: "I have been a great sufferer with eczema. I tried all kinds of salves, but they did me no good. Sometimes I would nearly yell with the pain, and would pass little white worms. I was told to get at the blood, so I used four bottles of Burdock Blood Bitters, and it has made a complete cure."

All skin diseases such as eczema or salt rheum, itching or burning rashes, boils, pimples, eruptions, ulcers, etc., are all caused by the blood becoming impoverished, and while not usually attended with any fatal results, may sooner or later develop into some serious blood trouble, and the entire system become affected.

Burdock Blood Bitters will cleanse the blood of all its impurities and by this means cure all skin and blood troubles. This valuable preparation has been on the market for the last forty years, so you do not make any experiment when you give it a trial.

B.B.B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont. The committee has decided to continue the collection and to make Christmas gifts for the soldiers at the army.

FRENCH DRAMATIST MUM ABOUT PLAYS

Eugene Brieux

New York, Nov. 26.—Eugene Brieux, a French playwright whose eugenic drama, "Damaged Goods," set the world a-talking last year has come to New York for a brief visit, but he evidently intends to let the public do all the talking—he refuses to be interviewed. Brieux came to America to represent the Academie Francaise at the American Academy of Arts conference in New York.

Could Hardly Straighten Up For The Pain In Her Back.

Many women suffer from an excruciating pain in the back. They are not even able to look after the common duties of their household, and cannot even walk at times.

The whole trouble is that the kidneys have become affected, and when the kidneys get "out of kilter" the whole system becomes deranged. On the first sign of a weak, lame, aching back you should not neglect it, for if you do, you may be sure that some serious kidney trouble will follow.

What you want is a kidney medicine, for kidneys only. This you will find in Doan's Kidney Pills. Doan's Kidney Pills know nothing but kidney disorders, because they're made for kidneys only.

Mrs. George Craigie, Rose Valley, P.E.I., writes: "I am writing to tell you what a wonderful cure Doan's Kidney Pills did for me. I was suffering with a lame back, and for several days I could hardly straighten up for the pain. I had used quite a lot of other kind of pills, but received no relief. Just then my sister told me about what 'Doan's' had done for her, so I decided to try them. I used three boxes and I am completely cured. I do not hesitate to recommend them to all."

Doan's Kidney Pills are 50c a box, 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont. When ordering direct specify "Doan's."

Friends of Mrs. David Phillips, of Randolph, will regret to hear of her death, which occurred last evening after a trying illness. She is survived by her husband and two sons, who are Randolph and Wallace, of Fairville. Mrs. William Linton is a sister, and three brothers in the United States also survive.

The turkey, despite his name, is a Canadian bird. So are all our overcoats and every man ought to be thankful that such splendid warmth-giving, comfortable garments, reared and made in our own country, may be had at such reasonable prices in our shop. \$15 gets a good one. \$20 buys a better one. Others up to \$40. Push-lined Coats, better than fur-lined for St. John wear, \$40.

LADIES! SECRET TO DARKEN GRAY HAIR

Bring Back Its Color and Lustre With Grandma's Sage Tea Recipe

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant; remove every bit of dandruff, stop scalp itching and falling hair. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 20 cents a large bottle, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.

Keep Your Lungs Strong

This advice is doubly important with the knowledge that every three minutes some one in the United States succumbs to consumption and many refuse to realize they are afflicted until it is too late.

It is after colds or sickness, from overwork, confining duties or when general weakness claims that tubercular germs thrive because the resistive powers of the body are weakened.

Only with fresh air, sunshine and abundant rich blood can one hope to arrest their progress, and the concentrated fats in Scott's Emulsion furnish fuel for rich blood, and its rare nourishment helps strengthen the lungs while it builds up the forces.

If you work indoors, tire easily, feel languid or run-down Scott's Emulsion is the most strengthening food-medicine known and is free from stupefying drugs. Avoid substitutes.

WASHING WON'T RID HEAD OF DANDRUFF

Dissolve It—That's Best Way

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

Do this tonight, and by morning most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

If you want to preserve your hair, do by all means get rid of dandruff, for nothing destroys the hair more quickly. It not only starves the hair and makes it fall out, but it makes it stringy, straggly, dull, dry, brittle and lifeless, and everyone notices it. You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.
