

**FALL SUITS \$18**

If economy is a consideration, our showing of Suits at \$18 will interest you. It is certain that no more attractive examples of style and quality will be secured at that price—it is doubtful if the same value will be duplicated elsewhere. Rather than describe here the merits of these garments, we will let this advertisement serve as an invitation to every man to visit us and personally acquaint himself with the advantage of our Fall Suits at \$18. The garments will speak for themselves with far greater emphasis than we might attempt here.
