INTRODUCTION OF
**New Wool
Blankets**

These Are Blankets of Pedigree

We give to buying and selling blankets the careful attention that such intimate articles of household economy deserve. Consider the service that one expects from good blankets, and better skelter buying or selling seems unwise.

Our advance showing of Wool Blankets, critically examined, will demonstrate our point. The soft surface of true wool blankets which leaves no doubt of quality, is an assurance not to be misunderstood.

There is satisfaction in buying in the early season, when stocks are fresh from the looms, and one has the unlimited choice that only early buying assures.

White Wool Blankets, \$2.95 to \$7.15 a pair
Grey Wool Blankets, \$1.75 to \$3.15 a pair

WEST SIDE SLIPS
A West Side correspondent complains that there is not a slip on that side where a boat or a vessel of any description can be grounded or that can be used for a haul up. He complains that government contractors occupy two slips, while another is used by a dredging company, and market slip is filled with wood piles, motor boats and scows. He asks why these slips are not placed in commission and says they would command quite a revenue. No doubt the commissioners will be glad to discuss the matter with him.

**CHATHAM MILITIA
HAD REAL SHELLS
FOR SHAM BATTLE**

Chatham, Ont., Aug. 28.—When the Blue army in its manoeuvres, halted at noon yesterday, an inspection was made of ball pouches and rifles. The officers were started to find that several men were carrying loaded shells such as are used in the regimental shooting galleries. A thorough search was made and all such shells were taken up. Serious results might have followed the first skirmish, had these shells not been discovered for in the heat of action, it would have been very easy for a man to confuse the loaded and the blank shells. There will be an inquiry as to the manner in which the men were accidentally served with loaded shells.

**BRITISH IMPERIAL

London, Aug. 28.—It is announced that a British Imperial exhibition will be held here in 1915, with the object of showing the products and manufactures of the empire and the increasing trade therein. **MOOSE LODGE
WILL PROMOTE
AMATEUR SPORT**

Twenty Mile Bicycle Race and Ten Mile Road Race Will Be Run Under Their Auspices Early in October

The annual twenty-mile bicycle race for the Dunlop trophy, which has been carried on each year for four years by the Every Day Club, will hereafter be held under the auspices of the Moose Lodge in this city. The matter is in the hands of a strong committee. A. W. Corey, one of the members, was an active member of the Every Day Club during the period in which the annual race was held under its auspices. The cup is now held by Winchester of Charlottetown, who has won it twice. It was won once by Oung of Amherst, and once by Fouts of Dartmouth. In addition to the Dunlop trophy there will be several other valuable prizes in connection with the race, which will be as usual over the road between St. John and Robbsey, ending at the Marsh bridge, there will also be a ten mile road race, in which it is anticipated there will be quite a number of outside competitors as well as several from this city. The date of the event will be early in October, as this is the first appearance of the lodge of Moose as a promoter of amateur sport, the members are determined to make it a great success.

**EVENLY MATCHED
FOR FINAL RACE**

Marathons Have Won Forty-Three and Fredericton Forty-Two Games in Contest for Provincial Championship—The Schedule

The Marathons left this morning for Fredericton where they will meet the Fredericton team this afternoon. They will play here again on Saturday and on Monday (Labor Day) they will play a double header on the Marathons diamond. On Monday evening the teams will disband for the season.

Interest in the current series of games increases with time and the spectators are given good baseball. The record of per game played by the respective teams throughout the season shows little advantage on either side and gives good reason for expecting close contests. The Marathons have already won forty-three games while the Frederictons have captured forty-two.

Although a movement was made by the local management to arrange for a series of games with the Ottawa Club the offer of \$1,200 was considered out of the question and further negotiations were waived.

Much regret is expressed at the announcement that the teams will disband for the season Monday evening and the baseball season concluded so early. However as the contracts with the players expire and the players themselves are desirous of returning to their homes the local management considered this the wisest plan and has accepted the terms under uncertain conditions.

**WILL SAIL POSTPONED
YACHT RACE ON SATURDAY**

The race for the Commodore's Cup, which was postponed from last Saturday, will be conducted next Saturday afternoon. Keen interest is manifested in the coming event as many of the boats entered for the race are evenly matched and a close contest is anticipated.

Although the regular programme of the club for the season's yacht races has been run through there are some postponed races to be held, of which Saturday's contest is the first. The remaining meetings will be held in the near future.

On Saturday the race will start at 2:45 and the course will be from Millidgeville to Appley's wharf, on the Kennebecasis river, and return. The judges of the course will be Robert Thomson and A. P. Paterson, and the timers, W. C. Birrell and E. W. Bonnell.

The boats entered for Saturday's contest are the Vagabond, Pie Yeun, Smoke, Helena and Edith.

AN INTERESTING LETTER

H. L. Spencer, the poet, has received an interesting letter from Miss Harriet Cecil Magee, teacher and authoress of Chicago, he is a native of York County, N. B. Miss Magee wrote that she was spending a short vacation at a delightful resort named Griswolds, on the south shore of Lake Hamlin, which is a very cool and pretty place. While enjoying her vacation Miss Magee was spending a couple of hours each morning giving the finishing touches to a book which she hopes to issue in the near future. Referring to a poem written by a lady on her 83rd birthday, a copy of which she sent to Mr. Spencer, Miss Magee writes:—

"She passed away on July 19. Her body, at her request, was cremated and the ashes are to be sent to Rome and placed in her husband's grave. She was an English woman, but had lived many years in this country. Her husband went to Italy for his health, and died and was buried in Rome. She had lived in Italy during her childhood days, and again later, before she took her husband to Rome. She always loved Rome, and her daughter with whom she lived in Chicago will see that her last wish is gratified."

J. R. Graham is Collision

While in Augusta this week, John R. Graham, of Danvers, the electric railway magnate, who is interested in the Suburban Railway Company at St. John, was in an automobile accident. The big car in which he, his son and two others were riding collided with a smaller car at corner of the smaller car was badly smashed and its occupant, J. W. Skelton, received a severe shock and facial injuries. Mr. Graham, seeing that the driver of his car was at fault, promptly secured medical attendance for Mr. Skelton, and gave orders to have the damaged machine thoroughly repaired at his expense.
