Amendment to Assessment of County Residents Proposed — Carnival Matters

Dealt With.

RETURN TO N. S.

The Loyola Minstrel Troup, who auditorium on last Monday and Tuesday, left this afternoon for their homes in charge of Rev. Father Martin, who returned with them.

Canada. Mr. Weaver reviewed the work during the past year of the National Association of Wholesalers and also outlined plans for the new service of credit information on retail shoe store accounts, which is being instituted by the manufacturers and wholesalers jointly.

The speaker stated that such pew

table until the tenders for all the equipment for the sub-station were opened. Some of these were due on February 12. He said his idea was to check the different items against the

ment or residents of the county, working in the city.

Commissioner Frink said that he understood it affected the city to the extent of a quarter of a million dollars.

Commissioner Bullock said he took it the loss to the city would amount to some \$6,000.

The Mayor moved that a bill be prepared repealing the sub-section covering the point in question.

Carried.

The St. John team will be similar to that which surprised the fans by taking Marysville into camp on Monday.

Grand total 4,768.

Hali Date Steamer Nov. 24—Albania Dec. 3—Andania Dec. 3—Andania Dec. 3—Tyrrhenia Dec. 4—Sachem Taking Marysville into camp on Monday.

P. H. Butler was present regarding a proposed publication of the Business Review and Maritime Retailer for which he asked a grant of \$1,000 from the city.

A final practice of the St. Johns this pec, 10—Canada afternoon will put the finishing touches on the team, and tomorrow night will see them in first class condition for the hardest battle they have yet had on home ice.

Jan. 11—Latvia Jan. 20—Ansonia Review and Maritime Retailer for which he asked a grant of \$1,000 from the city.

Commissioner Wigmore said that in a previous publication the city took 2,000 copies and paid \$500.

Mr. Butler said that a new proposal was to reduce the size of the publicably one-half and to ask the city for \$500. It was proposed to print 4,000 copies. The Board of Trade and the Tourist Association, Commissioner Thornton said, purchased a quantity of the previous publication.

Commissioner Bullock said that this would be an opportunity to let the world know that the city was to have the advantages of hydro, and he moved that the proposed expenditure of \$500 be recommendation carried.

Council Approves

The committee arose and went into council and passed the recommendations made in committee, as follows:

That an amount of \$500 be authorized for the publication advertising St. John.

That the hydro commission be authorized for the publication advertising St. John.

That the hydro commission be authorized for the publication advertising St. John.

That the hydro commission be authorized for the publication advertising St. John.

The sake them in first class to death that the hardest battle they have yet thad on home ice.

was prepared to support the motion if the ten per cent. for incidentals was struck out. He made an amendment to this effect, Commissioner Thornton withdrawing his amendment to lie on the table.

Commissioner Frink, in supporting the amendment, said it was time that the Hydro Commission came out with a plain statement as to the total cost of the whole distribution system.

Commissioner Bullock remarked that so far the contracts for work and equipment had all been below estimate.

The Mayor brought up the matter of proposed legislation covering the assessment or residents of the county, working in the city.

Commissioner Frink said that he up.

We steam the steamships and the number of passengers they carried. The list shows that a total of 4,768 passengers landed at this port, while 1,621 arrived at Halifax. The statement follows:
