Piles Go Quick

Without Salves or Cutting.

Thousands who have piles have not learned that quick and permanent relief can only be accomplished with internal medicine. Neither cutting nor any amount of treatment with ointments and suppositories will remove the cause.

Bad circulation causes piles. There is a complete stagnation of blood in the lower bowel and a weakening of the parts. Dr. J. S. Leonard was first to find the remedy and called his prescription HEM-ROID. Dr. Leonard tried it in 1,000 cases with the marvelous record of success in 98 per cent, and then decided it should be sold by druggists everywhere under a rigid money-back guarantee.

Don't waste any more time with outside applications. Get a package of HEM-ROID from Watson's two stores today. It has given safe and lasting relief to thousands and will do the same for you.

ALIEN RIDES CYCLE ACROSS U.S. LINE

Obtains Illegal Entry and Is Arrested by Police of West Springfield

SPRINGFIELD, Mass., Aug. 15.—A unique method for an alien to gain entrance into the United States was discovered by Sergeant Walter J. Gilligan, of the West Springfield police, when he arrested Andrew Donaldson, of Ireland, on the charge of illegal entry to the country and found that he had ridden a bicycle across the line.

Donaldson said he rode approximately 800 miles before he succeeded in getting past the immigration officers at Buffalo, N. Y. He eventually made his way to Framingham, Mass., where he had a cousin. He then wrote to an acquaintance, Hiram Walsh, of Toronto, and explained to him just how he could get into this country. Walsh apparently was successful too, for he was with Donaldson when the latter was arrested.

"I suppose she will have to give up her home"

WOULD the neighbours be able to talk like that about your widow?

Stop and think! What about the mortgage you are carrying on your home? Bit of a struggle to keep up the interest alone, to say nothing of the payments on the principle, isn't it?

How would your widow manage—with the children to look after too? Men are often careless in thinking about these things because there are many ways open to a man for earning money.

But to a woman—unused to business and hampered with children—there are practically none.

A small saving invested yearly in an Imperial Endowment Policy would clear your home of all mortgage indebtedness and leave something over, if you died prematurely. If you live until the policy matures you can then utilize the funds yourself.

Make sure to-day! Send the coupon now—tomorrow you may be uninsurable.
