Beautiful Millinery Creations

The millinery seems to be getting more beautiful and attractive as the season advances. We are constantly receiving new models and style. Every day sees something new opened and apparently more striking and handsome than its precedessors. Then our own expert staff has been busy evolving new ideas and copying exclusive models. We have hats of enormous size and conservative style of all kinds, colors, shapes and sizes. Our millinery showing is extensive, in fact there is no store on the coast as well equipped for supplying your millinery needs as we are. Our assortment is large, our styles exclusive, our prices moderate.

Handsome New Furs

For fur values we cannot be beaten, as we make up our own high grade furs. The skins are all most carefully selected and the styles made up are in harmony with fashion's dictates and suitable for local conditions of climate. We describe a couple of handsome lines that are splendid value.
