

Accompanying the Report of the Grand Chancellor was the following two Reports from Deputies:

WINDSOR, May 10th, 1880.

*To the Grand Chancellor, K. of P., of Ontario.*

DEAR SIR AND BROTHER,—As District Deputy G. C. for the District of Windsor, I would beg most respectfully to report as follows:

1st. That my jurisdiction extends over a very small space, having therein only Friendship Lodge, No. 16.

2nd. I am happy to report that Friendship Lodge is now prospering finely; that the officers are working in better form than any time since the institution of this lodge; that the lodge property, etc., is securely kept; that no dispensations have been granted; that the membership is rapidly increasing, and that they are about to start an Endowment Section.

3rd. I am of opinion that Leamington would be a good point for the organization of a lodge, feeling satisfied that there is sufficient material to successfully carry on a good lodge.

I must necessarily make my Report very short, as I have but one lodge to report upon, but trust that at some future date not far distant this district may be more extended.

Hoping that I may have the pleasure of meeting you at the Grand Lodge in London, I am

Fraternally yours,

P. A. AIKMAN, D. D. G. C.

SARNIA, 1st June, 1880.

*To W. F. Taylor, Esq., Grand Chancellor Knights of Pythias of Ontario.*

DEAR SIR AND BROTHER,—I, herewith, beg to submit my Report as D. D. G. C. of Sarnia District.

The Order here has not grown during the year, but rather shows a decrease in the membership of Huron Lodge, No. 10, which is the only lodge in this district. The hard times and scarcity of money has made havoc amongst our members. There are other influences, however, that have thinned our ranks, viz., large number of members having left for other places have taken withdrawal cards, or, having gone to places where no lodges exist, have lost interest in the Order and had to be suspended. I have issued no dispensations during the year. The properties of Huron Lodge are kept in a secure place.

I remain,

Yours in F. C. & B.,

WM. WILLIAMS, D. D. G. C.
