THE GRANITE TOWN GREETINGS

EASTER OPENING

We are bound to the will of the people.

We have always tried to please our customers, but never before paid so much attention to our selections in buying. The greatest variety and best of styles. All at the lowest prices.

We have also made a great change at our store. We have removed all our Men's wear entirely. By so doing we'll have plenty room, plenty light, and more comfort in general.

To our Millinery Department we gave special attention. Having engaged Miss Mersereau, formerly with the London House, St. John, to take charge of this department, we can guarantee you the best satisfaction in this line. We invite every lady in Charlotte County to give us a call and attend our opening.

We shall also begin business in our new store at the Bargain Clothing Store, for Gent's Furnishings, Clothing and Footwear, with a new stock, new system and good attention.

Remember coupons for dinner sets given at both stores.
