FIRE DEPARTMENT CALLED OUT TWICE

On Sunday morning at about one o'clock the Edmundston Fire Department was called to assist in extinguishing a fire in Madawaska. Me the two story house on the upper side of the road to Fort Kent caught fire, but were successful in confining the fire to the second floor which with contents was completely destroyed. The loss is partly covered by insurance.

It must be becoming increasingly apparent to the residents of Madawaska that the lack of a proper water system and fire department is exposing them to a great fire risk. The Edmundston Fire Department has rendered assistance in several cases but it takes some time for them to get to Madawaska and the lack of water is a serious handicap. The Fire Department was also called to the residence of Trefle Arsenault on Saint Francis Street on Tuesday morning at 5:45 A chimney had assumed a dangerous stage, but the firemen were able to extinguish it without much damage being done.
