Deer Island Thorofare, Me.—Dow Ledge Buoy, 12, a spar, heretofore reported missing, was replaced Nov. 2.

REPORTS AND DISASTERS.

Sydney, Nov. 6.—The schooner E. B. Marvin which left New York three weeks ago for Arichat loaded with hard coal is missing, and it is feared she has been lost with all hands. A succession of heavy gales swept the coast since the Marvin was last reported, and the supposition is that during one of these the cargo, which was not a full one, shifted and the vessel swamped.

She was owned and commanded by Captain Murray, of Port Richmond. The E. B. Marvin was built in Nova Scotia nearly thirty years ago. She was first owned by Saul Jacobs, the vetern fisherman, and at that time was named the Mollie Adams. About 1895 the vessel was purchased by the E. B. Marvin Sealing Company, of Victoria, B. C., and after sailing around Cape Horn was given her present name, and was sent to prosecute the seal fishery in the Behring Sea, and later off Cape Horn. Her last trip to the sealing grounds was in 1907, when after tieing up at Halifax she was made over to Captain Murray.

The Marvin was of 99 tons register. A brother of Captain Murray is at present in port in charge of the schooner Howard.

MARINE NOTES

TOWED TO WEYMOUTH, N. S.

Tug Wasson, Capt. Morrill, is now on her way to Weymouth, with the schooner A. B. Barteaux in tow.

BATTLE LINE.

Steamer Pandosia, Capt. Wright left Santa Fe last Wednesday for Havre, France.

FROM BOSTON.

Steamer Calvin Austin from Boston via Eastport arrived Thursday and landed 28 passengers. The steamer had a very large general cargo.

GONE TO HILLSBORO TO LOAD.

United States schooner Laura M Lunt, Capt. Johnston, which vessel brought a cargo of hard coal here from Perth Amboy for the C. P. R., has cleared for Hillsboro, NB, to load for an United States port.

MORE HARD COAL.

American schooner W E and W L Tuck, Capt Haley, arrived Thursday from South Amboy, NJ, with 597 tons hard coal. British schooner Moama, Capt Gayton, also arrived Thursday with hard coal from New York.

CANADIAN BUILT STEAMER.

The Canadian government steamer Estevan recently built at Collingwood has successfully completed her trial trips and will proceed at once via the Straits of Magellan for the British Columbia lighthouse service.

TO LOAD AT BRIDGEWATER, N. S.

The schooner James William, now discharging coal at Halifax will go to Bridgewater. The tug Sampson which left on Monday with the barkentine Sirdar for that port will return for the former vessel.

FIVE HOURS IN FOG.

The Halifax Herald says the Wednesday morning's fog was, according to old salts, the thickest for years. The ferry boats were very much off schedule and the collier Jupiter which has been discharging at the Dominion Coal Company's wharf, took five hours to make a docking at the Commercial pier.

CAPTAIN LOST OVERBOARD.

The Reading tug Conestoga arrived at Portland, Me, last Tuesday, towing two light barges from the eastward and after taking on a third barge proceeded to Philadelphia. The tug came in with her colors half masted in respect for Capt. Sinor of the Reading barge Schuylkill, who was lost overboard in the gale of last Friday.

UNDER $40,000 BONDS.

Halifax Herald, Nov. 7.—Seventy-five sons of China and four "females of the species" will arrive in Halifax tonight from Hong Kong via Vancouver and Montreal en route to the West Indies, embarking on the Pickford and Black liner Boston for her voyage south at midnight. It is somewhat common for each boat for the "isles of the Carribean" to have a number of celestials aboard, but the appearance of four Chinese women in Canada is rare indeed, for they are not permitted residence in this country, though occasionally Orientals who have become prosperous after their emigration to the West Indies, send home for their wives to travel over 8000 miles across the Pacific Ocean and Canada to join their lesser halves in housekeeping. Forty thousand dollars is the total of the bonds under which the party is being transported, a risk of $500 undertaken by Pickford and Black to afford each man coming from China direct passage from our territory.

Had a Dry, Tickling Sensation In Her Throat.

COUGHED ALMOST ALL NIGHT.

A bad cough, accompanied by that distressing, tickling sensation in the throat, is most aggravating.

Dr. Wood's Norway Pine Syrup is rich in the healing virtues of the Norway Pine tree, and for this reason it will quickly stop that tickling in the throat which causes the dry hard cough that keeps you awake at night.

Miss Margaret MacDonald, Port Hood, N.S., writes:—"Just a few lines to let you know what Dr. Wood's Norway Pine Syrup did for me. I took a severe cold, coughed almost all night, with that dry, tickling sensation in my throat. The first bottle did me so much good, I thought I would try a second one, which I am pleased to say resulted in a complete cure. I can strongly recommend it to any one suffering from a cough or any throat irritation."

Dr. Wood's Norway Pine Syrup is put up in a yellow wrapper, 3 pine trees the trade mark; price, 25 and 50 cents.

Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

EATS MADE IN CANADA DIRT

TWO MONSTER SAILING SHIPS.

At Campbellton, loading lumber for the Shires Lumber Company for Rosario are two Norwegian four masted barks, recently purchased from British owners, and on their first voyage under the Norwegian flag. Both vessels are 2100 tons and brought a price of £5000 apiece. The Selieren formerly the Loch Carron, and the Longdal, formerly the Loch Broom, are the respective names of those two large sailing boats which this year make their first sailings from a Canadian port. Each of these craft have their yard rigged except for the mizzen mast, which is schooner rigged, the combination giving rise to many controversies as to the correct name to designate the vessel. Many set forth the claim that as three masts are square rigged as in full rigged ship, shipentine should be the proper word.

Unable to Work for 14 Months

Complete Nervous Breakdown Left Mr. Black an Invalid—Cured by Dr. Chase's Nerve Food.

Mr. Henry Black.

What a helpless mass of flesh and bone the human body is, once the nerves become exhausted. Extreme weakness comes over you, and you lose control of the limbs. The next step is paralysis.

You will be fortunate if, like Mr. Black, you get the building-up process in action before it is forever too late. By forming new, rich blood Dr. Chase's Nerve Food carries new vigor and energy to every organ and every member of the human body.

Mr. Henry Black, 81 St. Catherine street east, Montreal, Que., writes:—"The wonderful results I obtained from the use of Dr. Chase's Nerve Food constrain me to write this letter in order that others who suffer from nervous exhaustion and weakness may use this medicine with equally satisfactory results. As the result of overwork I became completely exhausted, and was unable to work for fourteen months. As I am the father of a family, these were sad days for me, but after I had used six boxes of Dr. Chase's Nerve Food I had improved so greatly that I continued the treatment until I was completely restored to health and strength. I now work twelve to fifteen hours a day, and keep in excellent health."

Dr. Chase's Nerve Food, 50 cents a box, all dealers, or Edmanson, Bates & Co., Limited, Toronto.

COMPLETELY LEFT ME"

ys Thomas Stephenson after Taking GIN PILLS

O those who have suffered, year in and year out, from the dragging misery of Kidney Disease, anything that will relieve the pain is a blessing indeed. That is just what a well known resident of Lachute Mills, Que., and his wife both found in GIN PILLS.

Lachute Mills, P. O.

"I was troubled for many years with Kidney Disease, and a friend told me to take GIN PILLS. After taking a few boxes, I was greatly relieved, and after finishing the twelfth box, the pain completely left me.

My wife is now using GIN PILLS and finds that she has been greatly relieved of the pain over her Kidneys.

I can safely recommend anyone suffering from Kidney Trouble to give a fair trial to GIN PILLS." THOMAS STEPHENSON.

Would you welcome such a relief? Then take GIN PILLS. They go right to the spot—ease the pain almost at once — neutralize the Uric Acid which is causing all the trouble—strengthen the kidneys so that they will be able to keep the blood pure—and quickly take away that weakness and tenderness of the back which undermine the energy and vigor of manhood and womanhood.

PILLS without a trial. Every box is sold on the posi- if six boxes, used according to directions, do not help ill be cheerfully refunded.
